Replied on February 18, 2018. There hasn't been an official printed manual for Word for many years, but the Quick Start guide Desiree pointed you to will get you started. Other Microsoft (and third-party) articles cover many other specific Word features, both in Word 2016 and in other versions. If you want a paper reference, there is usually a good selection of third-party guides (search Amazon or your local bookstore), though my experience has been that, while they are a good introduction ...
