Sunbathe on cliffs overlooking crystal-clear water, go windsurfing or enjoy a stadoled (ice cream)! Croatia awaits... Each chapter in the Marco Polo Croatia Spiral Guide is based around a region and includes: Instant knowledge: a neat, introductory overview split into 3 areas including Top 10, Don't Miss, and At Your Leisure so you get an instant idea of what that area is like and whether it suits your mood that day. 'My Special Day': a recommended tour exploring an area or a different aspect of the destination. Accessible information: a straight to the point, unique, questioning structure highlights the key points for all Top 10 sights in a fun and highly accessible way. Relaxation: every sight has a suggestion for time out so you have time to pause and savour the moment whether it's in a park or people watching in a lovely coffee shop. Insider Tips: Insider Tips to uncover sides of the country unknown to even the most regular visitors. Maps: Road atlas and pull-out map. The perfect road trip companion. So you haven't had a chance to sift through Trip Advisor or read that doorstep sized guide? No worries. Your Marco Polo Croatia Spiral Travel Guide is here to help. With all the key information neatly put together in this handy, pocket sized guide, you're good to go. The spiral binding makes this guide easy to use on the move - fold the book back on itself so it's always ready on the page you need.

Marco Polo Didn 't Go There is a collection of rollicking travel tales from a young writer USA Today has called " Jack Kerouac for the Internet Age. " For the past ten years, Rolf Potts has taken his keen postmodern travel sensibility into the far fringes of five continents for such prestigious publications as National Geographic Traveler, Salon.com, and The New York Times Magazine. This book documents his boldest, funniest, and most revealing journeys—from getting stranded without water in the Libyan desert, to crashing the set of a Leonardo DiCaprio movie in Thailand, to learning the secrets of Tantric sex in a dubious Indian ashram. Marco Polo Didn 't Go There is more than just an entertaining journey into fascinating corners of the world. The book is a unique window into travel writing, with each chapter containing a " commentary track " —endnotes that reveal the ragged edges behind the experience and creation of each tale. Offbeat and insightful, this book is an engrossing read for students of travel writing as well as armchair wanderers.

Did Marco Polo reach China? This richly illustrated companion volume to the public television film chronicles the remarkable two-year expedition of explorers Denis Belliveau and Francis O'Donnell as they sought the answer to this controversial 700-year-old question. With Polo's book, The Travels of Marco Polo, as their guide, they journeyed over 25,000 miles becoming the first to retrace his entire path by land and sea without resorting to helicopters or airplanes. Surviving deadly skirmishes and capture in Afghanistan, they were the first Westerners in a generation to cross its ancient forgotten passageway to China, the Wakhan Corridor. Their camel caravan on the southern Silk Road encountered the deadly singing sands of the Taklamakan and Gobi deserts. In Sumatra, where Polo was stranded waiting for trade winds, they lived with the Mentawai tribes, whose culture has remained unchanged since the Bronze Age. They became among the first Americans granted visas to enter Iran, where Polo fulfilled an important mission for Kublai Khan. Accompanied by 200 stunning full-color photographs, the text provides a fascinating account of the lands and peoples the two hardy adventurers encountered during their perilous journey. The authors' experiences are remarkably similar to descriptions from Polo's account of his own travels and life. Laden with adventure, humor, diplomacy, history, and art, this book is compelling proof that travel is the enemy of bigotry—a truth that resonates from Marco Polo's time to our own.

Travelling the world is something everyone should do. But a trip of a lifetime does come at a cost, and if you don't want to wait years saving, then Work your Way Around the World is the book for you. For summer jobs, volunteering or jobs abroad, Work Your Way Around the World is the number one guide for the self-funded world traveller, providing all the information you need to successfully find work abroad. Find inside: Hundreds of job opportunities across the globe Brand-new chapter offering vital advice on taking a gap year Insightful case studies from travellers who have been there and done it Advice for applying and securing jobs abroad Culture and lifestyle information by country Essential guidance on safe areas to travel - and which places to avoid Packed with hundreds of irresistible opportunities abroad. Work Your Way Around the World is the globetrotter's essential handbook, offering all you need to know to help plan your trip and successfully fund your way around the world.

"I have read everything written on Marco Polo, and John Man's book is, by far, my favorite work on the subject. It's not only an over-due and important historical study, it's an entertaining ride every step of the way." — John Fusco, Creator of the Netflix original series Marco Polo The true history behind the Netflix original series Marco Polo, here is the remarkable story of the world's most famous traveler, retracing his legendary journey from Venice to China, the moment East first met West. In 1271, a young Italian merchant named Marco Polo embarked on a groundbreaking expedition from Venice, through the Middle East and Central Asia to China. His extraordinary reports of his experiences introduced medieval Europe to an exotic new world of emperors and concubines, amazing cities, huge armies, unusual spices and cuisine, and imperial riches. Marco Polo also revealed the wonders of Xanadu, the summer capital of Mongol emperor Kublai Khan. Almost 750 years later, acclaimed author John Man traveled in Marco Polo's footsteps to Xanadu then on to Beijing and through modern China in search of the history behind the legend. In this enthralling chronicle, Man draws on his own journey, new archaeological findings, and deep archival study to paint a vivid picture of Marco Polo and the great court of Kublai Khan.

Marco Polo Guides are packed with unique insider tips. Straightforward information is presented in an engaging format which will appeal to the young and the young at heart. Includes a street atlas and a separate pull-out map.

Marco Polo Guides are packed with unique insider tips. Straightforward information is presented in an engaging format which will appeal to the young and the young at heart. Includes a street atlas and a separate pull-out map.

In the late 1290s, an imprisoned Venetian merchant dictated an account of his amazing adventures in China. That book, The Travels of Marco Polo, was an instant success. Though scholars once derided Polo's tale, today's historians accept it as accurate. The original manuscripts are long lost, but now, for the first time, a modernized hybrid edition has been compiled from translations by William Marsden and Henry Yule. Comprising nearly 150 chapters, this superbly illustrated, silk-bound abridgement of this seminal work is a treasure worthy of its subject.
