~~Margaret Thatcher The Black Hole of Empire Myths Of Empire Domestic Politics~~

Jack Snyder identifies recurrent myths of empire, describes the varieties of overextension to which they lead, and criticizes the traditional explanations offered by historians and political scientists. He tests three competing theories—realism, misperception, and domestic coalition politics—against five detailed case studies: early twentieth-century Germany, Japan in the interwar period, Great Britain in the Victorian era, the Soviet Union after World War II, and the United States during ...

~~Myths of Empire: Domestic Politics and International ...~~

Domestic Political Explanations: 1) Over-expansion hurts society as a whole but benefits can be concentrated in the hands of a few. The more state power is concentrated in their hands, the more a state will pursue self-defeating aggression. 2) Expansion is used to defuse domestic turmoil because elites benefit from nationalism.
