Intricate details of all aspects of the human body down to the smallest detail - from our cells and DNA to the largest bone in our bodies, the femur. 3D generated illustrations and medical imaging provide a close look at the body's forms and functions in physiology and anatomy, showing how the body works and its amazing systems and abilities. To understand our modern human bodies, this book first looks at our ancestors and how the evolution of Homo Sapiens shaped our anatomy. This gave us the ability to walk tall, create language, and make tools with our incredibly adapted opposable thumbs. Learn how we can see evolution in our DNA, and the functions of DNA. Read about the things you can only see with microscopes and other special imaging machines, like cell structure, motor pathways in the brain, and the inner iris. All these many parts work together to make the human body. The physiology of our body is written in clarifying detail. Learn about the organs and systems that operate within, like the cardiovascular, digestive, and neural systems. See our elegant anatomy and read how the skeleton, muscles, and ligaments operate to allow movement. This second edition has included more detail on the joints in the hands and feet. The Complete Human Body takes you from infancy to old age showing how our body grows and changes, and what can go wrong. 2nd Edition: Enhanced and Updated This visual guide uses remarkable illustrations and diagrams to peek inside our complex and astounding bodies. It has been written in an easy-to-follow format, with straightforward explanations to give you the best overview of the many things that make us human. Suitable for young students who want an extra resource for school, people working in medical fields, or for anyone with a keen interest in human biology. Inside the body of the book: - The Integrated Body - Anatomy - How the Body Works - Life Cycles - Diseases and Disorders

Angeline could read before she was old enough to turn the pages of a book, and she mastered the piano without a single lesson. But being so clever doesn't make life easy for Angeline. This charming book is a quirky celebration of fathers, teachers, being yourself and finding happiness in unexpected places.

A New York Times Notable Book Ralph and Anna Eldred are an exemplary couple, devoting themselves to doing good. Thirty years ago as missionaries in Africa, the worst that could happen did. Shattered by their encounter with inexplicable evil, they returned to England, never to speak of it again. But when Ralph falls into an affair, Anna finds no forgiveness in her heart, and thirty years of repressed rage and grief explode, destroying not only a marriage but also their love, their faith, and everything they thought they were.

'Page-turning' The Independent 'Sophie's thrillers are brilliant ... you can't stop reading' Robert Muchamore, bestselling author 'Sophie McKenzie's the queen of nail-biting and addictive reads. I just can't get enough.' Amy McCulloch, author of The Potion Diaries The gripping sequel to the bestselling, award-winning Girl, Missing. It's two years after the events of Girl, Missing and life is not getting any easier for sixteen-year-old Lauren, as exam pressure and a recent family heartbreak take their toll. Hoping some time together away from everything will help, Lauren ' s birth mother takes Lauren and her two sisters on holiday, only for tragedy to strike again when one of Lauren ' s sisters disappears, under circumstances very similar to those in which Lauren was taken years before ... perhaps too similar to be a coincidence. Can Lauren save her sister, and stop the nightmare happening all over again?

New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Dagger is a Trivator warrior. He is known for his dark and dangerous edge, making him the perfect warrior for impossible missions. He fears nothing, until he meets a young, delicate human female who wakens his heart. Her gentle touch, soft voice, and her shy sense of humor touch him in a way he never thought could happen. The thought of anything harming something so beautiful and fragile fills him with terror. Jordan Sampson is slowly adjusting to her new life on a strange planet far away from war-torn Earth. She had been seventeen when she was brought to the Trivator ' s home world of Rathon along with her older sister, Jesse, and younger sister, Taylor, a couple years earlier. Fear, confusion, and uncertainty of what the future holds threaten to drown her as she tries to fit in. There is only one hope that keeps her going. It is the handsome alien male that stirs something deep inside her and makes her feel whole. When Dagger is captured during a mission and sold to the illegal Fight Rings, it is only the memory of Jordan that keeps him going. Time blurs as he slowly sinks deeper and deeper into a world of violence and pain until he becomes more animal than Trivator. Jordan knows Dagger is out there, somewhere. She can feel him in her heart. The heart she gave to him the first time he held her protectively in his arms. When she discovers where he is being held, she refuses to let anything stop her from rescuing him. What Jordan doesn ' t realize is that she has been Dagger ' s hope during his captivity. The one thing that holds the thin thread to his sanity. The fight to save Dagger takes Jordan on a journey that she hopes they both survive. The star system is a dangerous place for a young human female and a damaged Trivator warrior. Can Jordan reach Dagger in time, and if she does, can she heal his shattered soul?
