Wiesel's quote evokes that, as night began, he became a restless wanderer hidden from God, and that instead of being protected from death, his death was sealed seven times over, reversing God's role as a protector. To forget the dead would be killing them a second time. Elie Wiesel, Forward

~~Night Quotes and Analysis | GradeSaver~~

Elie occasionally gives his rations to his ill father and even gives up food to be next to him. Giving up rations is a HUGE deal considering the conditions they are in, and this proves Elie has hope in his father. I believe that although Elie's dad is in need of his rations, he also benefits Elie by giving him an outlet of love and hope.

Eliezer. The narrator of Night and the stand-in for the memoir's author, Elie Wiesel. Night traces Eliezer's psychological journey, as the Holocaust robs him of his faith in God and exposes him to the deepest inhumanity of which man is capable. Despite many tests of his humanity, however, Eliezer maintains his devotion to his father. It is important to note that we learn Eliezer's last ...

Aside from Eliezer, Eliezer's father, Shlomo, is the only other constant presence in the work. However, whereas Eliezer develops throughout the work, experiencing horrible revelations and undergoing numerous changes, Eliezer's father remains a fairly static character, an older man who loves his son and depends upon him for support.

Though just a brief 116 pages, the book has received considerable acclaim, and the author won the Nobel Prize in 1986.

Collection of critical essays about Elie Wiesel's Holocaust memoir, Night.

Bernard Lonergan is a world-renowned philosopher, methodologist, and theologian. The complexity of his work has tended to limit his accessibility to average readers. Bringing Bernard Lonergan Down to Earth seeks to remedy this limitation by showing how Lonergan did address problems of community life. He also broadened his interest after writing Insight to include a reaching into our hearts as modeled, for example, by the genius Blaise Pascal. Lonergan also sought to bridge religious divides. Here the Christian theological virtues of faith, hope, and love are indispensable but that does not curtail from Lonergan's uncanny ability to reach out to secularists by focusing on ethics. The importance of Lonergan's interdisciplinary work is signaled in the book's twelve explorations (in the concluding Part IV) that detail for interested readers his extraordinary ability to solve major philosophical issues.

-- Presents the most important 20th-century criticism on major works from *The Odyssey* through modern literature. -- The critical essays reflect a variety of schools of criticism. -- Contains critical biographies, notes on the contributing critics, a chronology of the author's life, and an index

Jihad vs. McWorld is a groundbreaking work, an elegant and illuminating analysis of the central conflict of our times: consumerist capitalism versus religious and tribal fundamentalism. These diametrically opposed but strangely intertwined forces are tearing apart--and bringing together--the world as we know it, undermining democracy and the nation-state on which it depends. On the one hand, consumer capitalism on the global level is rapidly dissolving the social and economic barriers between nations, transforming the world's diverse populations into a blandly uniform market. On the other hand, ethnic, religious, and racial hatreds are fragmenting the political landscape into smaller and smaller tribal units. *Jihad vs. McWorld* is the term that distinguished writer and political scientist Benjamin R. Barber has coined to describe the powerful and paradoxical interdependence of these forces. In this important new book, he explores the alarming repercussions of this potent dialectic for democracy. A work of persuasive originality and penetrating insight, *Jihad vs. McWorld* holds up a sharp, clear lens to the dangerous chaos of the post-Cold War world. Critics and political leaders have already heralded Benjamin R. Barber's work for its bold vision and moral courage. *Jihad vs. McWorld* is an essential text for anyone who wants to understand our troubled present and the crisis threatening our future.

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

When the Six-Day War began, Elie Wiesel rushed to Israel. "I went to Jerusalem because I had to go somewhere, I had to leave the present and bring it back to the past. You see, the man who came to Jerusalem then came as a beggar, a madman, not believing his eyes and ears, and above all, his memory." This haunting novel takes place in the days following the Six-Day War. A Holocaust survivor visits the newly reunited city of Jerusalem. At the Western Wall he encounters the beggars and madmen who congregate there every evening, and who force him to confront the ghosts of his past and his ties to the present. Weaving together myth and mystery, parable and paradox, Wiesel bids the reader to join him on a spiritual journey back and forth in time, always returning to Jerusalem.

Ellen Fine's book is full of original insights, beautifully written and structured. I could not put it down. It is a very important study." -- Rosette Lamont, Queens College and Graduate School, City University of New York "By treating Wiesel's novels as literary-spiritual stages in the development of Wiesel's larger experience, as a survivor-witness-writer, Dr. Fine's book takes on an inherently dramatic character which makes it alive and exciting as well as instructive." -- Terrence Des Pres, Colgate University "Fine clarifies Wiesel's intentions, especially illuminating the complex variations on the themes of speech and silence, fathers and sons, escape and return--in short, the ideas around which Wiesel organizes his literary universe. No one has done this before so thoroughly." -- Lawrence Langer, Simmons College

"Illuminating . . . 24 academic essays covering Wiesel's interpretations of the Bible, retellings of Talmudic stories . . . his post-Holocaust theology, and more." --Publishers Weekly Nobel Peace Prize recipient Elie Wiesel, best known for his writings on the Holocaust, is also the accomplished author of novels, essays, tales, and plays as well as portraits of seminal figures in Jewish life and experience. In this volume, leading scholars in the fields of Biblical, Rabbinic, Hasidic, Holocaust, and literary studies offer fascinating and innovative analyses of Wiesel's texts as well as enlightening commentaries on his considerable influence as a teacher and as a moral voice for human rights. By exploring the varied aspects of Wiesel's multifaceted career--his texts on the Bible, the Talmud, and Hasidism as well as his literary works, his teaching, and his testimony--this thought-provoking volume adds depth to our understanding of the impact of this important man of letters and towering international figure. "This book reveals Elie Wiesel's towering intellectual capacity, his deeply held spiritual belief system, and the depth of his emotional makeup." --New York Journal of Books "Close, scholarly readings of a master storyteller's fiction, memoirs and essays suggest his uncommon breadth and depth . . . Criticism that enhances the appreciation of readers well-versed in the author's work." --Kirkus Reviews "Navigating deftly among Wiesel's varied scholarly and literary works, the authors view his writings from religious, social, political, and literary perspectives in highly accessible prose that will well serve a broad and diverse readership." --S. Lillian Kremer author of *Women's Holocaust Writing: Memory and Imagination*

The New York Times bestselling account of one of history's most brutal -- and forgotten -- massacres, when the Japanese army destroyed China's capital city on the eve of World War II In December 1937, one of the most horrific atrocities in the long annals of wartime barbarity occurred. The Japanese army swept into the ancient city of Nanking (what was then the capital of China), and within weeks, more than 300,000 Chinese civilians and soldiers were systematically raped, tortured, and murdered. In this seminal work, Iris Chang, whose own grandparents barely escaped the massacre, tells this history from three perspectives: that of the Japanese soldiers, that of the Chinese, and that of a group of Westerners who refused to abandon the city and created a safety zone, which saved almost 300,000 Chinese. Drawing on extensive interviews with survivors and documents brought to light for the first time, Iris Chang's classic book is the definitive history of this horrifying episode. "Chang vividly, methodically, records what happened, piecing together the abundant eyewitness reports into an undeniable tapestry of horror." - Adam Hochschild, Salon !--[if !supportAnnotations]-- !--[if

In 2011, Amy T Matthews published *End of the Night Girl*, a novel which engages creatively with questions of identity politics and the ethics of fictionalising the Holocaust. *Navigating the Kingdom of Night* is a critical exegesis in which the author contextualises *End of the Night Girl* in terms of the critical debate surrounding Holocaust fiction.
