Olivia has one toy that she loves more than anything. She feeds him, dresses him and takes him everywhere. So when he disappears, Olivia is FURIOUS! She looks under the rug, under the sofa, under the cat. She shouts at Ian and baby William, she cries, she stomps... all to no avail. Then, one dark and stormy night, Olivia hears a noise... Clutching a candelabra, she creeps bravely into her bedroom, and sees a huge menacing shadow on the wall. Who is this monster, and what's that hanging from his jaws? All is resolved peacefully in this entertaining story starring our favourite pig and her favourite toy.

The heart-warming tale of a sweet little pig with a whole heap of energy.

In her latest adventure, Olivia, everyone's favourite little pig, is off the Venice, the place of fine art, carnival and gondolas for a family holiday to remember. With her very own discerning eye for style, Olivia takes the beautiful city of Venice by storm. From dodging pigeons in the Piazza San Marco, to eating an abundance of the most delicious Italian gelato at Carneval, and barelystaying afloat in a gondola, Olivia uncovers the wonderful delights of Venice with that very special 'Olivia' style and flair!

Olivia is back! She has decided to form a band: a one-pig band, to be exact. And, as we all know, Olivia is certainly capable of making enough noise to sound like an entire orchestra . . . Featuring gatefold flaps, fireworks, experiments with lipstick an a very cross mummy, the fourth Oliviabook is simply and hilariously told and gorgeously rendered - sure to delight Olivia fans of all ages!!

Olivia decides that she wants to be a ballerina after she and her family go to see a ballet, and she works hard to become a sensational dancer. On board pages.

In her newest hilarious endeavour, Olivia embarks upon a quest for identity and individuality. It seems there are far too many pink and sparkly princesses around these days and Olivia has had quite enough! She needs to stand out. And so, in typical 'Olivia' style, she sets about creating a whole array of fantastically dressed princesses... and shows us that everyone can be individual and special.

Olivia is getting into the Christmas spirit. There are presents to wrap, ornaments to hang on the tree, snowpigs to build... But what mischief and mayhem will she get up to this time? This delightfully told and beautifully illustrated new Olivia story belongs under everyone's Christmas tree this year!
