Learn why stock options - a versatile investment tool that has seen explosive growth over the past few years - belong in your portfolio. If you're already trading options, this book is also for you. You will gain a thorough understanding of option pricing, function and equivalents, which will help you trade more effectively. Adopt more advanced option strategies, like iron condors and double diagonals, to help protect your nest egg and earn healthy returns. Includes chapter quizzes and accompanying CD-ROM.

Get Started Learning How to Trade Options! If you're reading this right now, you're considering learning about options. What are options? Are they better than stocks? Are they hard to use? In this book, author Tim Morris takes your hand and becomes your mentor, teaching you everything you need to know to get started with options. In part one, Tim goes over what exactly options are, and the reasons behind trading them versus trading stocks. This includes calls and puts, strike prices, expiration dates, volatility, and option Greeks. Then in part two, you'll learn basic option strategies, as well as one advanced strategy that you can start using right now. Tim even offers practical advice throughout the book on real world occurrences that the fundamental option textbooks don't mention. Tim provides charts, examples, and equations throughout the book, making a somewhat complicated subject simple and easy to understand. If you know nothing about options right now, when you're done reading this book, you'll have all the knowledge necessary to feel confident trading options. As a FREE bonus, only for book buyers, you'll receive Tim's special report titled Crush the Market! This special report is packed with 12 incredibly beneficial tips to help you make money in the stock market! This report is not available to the general public, or anywhere else. It exists solely as a "thank you" to buyers of this book. Options can provide a number of benefits over traditional stocks, and after reading this book, you'll know exactly how to use them. Click the Buy Now button at the top of the page to get started learning how to trade options NOW!

Options trading have become an appealing option for many investors today, particularly as trading volume continues to rise and investors have decided to try new types of investments. If you want to make the most of this type of investment and are interested in trying options in lieu of or in addition to other types of investments, you'll benefit from gaining a full understanding of options and how they work.
