With gorgeous two-colour illustrations throughout and a special full-colour guide to the giants in the book, this fantastic hardback is a perfect gift. For as long as anyone can remember, children have made a wish on a cloud horse, never quite believing that their wishes will come true. But times are changing. The future of magic is in danger. Unless three brave children fight back and believe in the impossible, soon magic and the cloud horses will be gone. Zam, Phoebe and Bathsheba don't yet know how powerful they are... Nine-year-old Fergus Crane's life is filled with classes on the school ship *Betty Jeanne*, interesting neighbors, and helping with his mother's work until a mysterious box flies into his window and leads him toward adventure.

Chris Riddell's *Goth Girl and the Ghost of a Mouse* is the beautifully illustrated winner of the Costa Children's Book Award. Ada Goth is the only child of Lord Goth. The two live together in the enormous *Ghastly-Gorm Hall*. Lord Goth believes that children should be heard and not seen, so Ada has to wear large clumpy boots so that he can always hear her coming. This makes it hard for her to make friends and, if she's honest, she's rather lonely. Then one day William and Emily Cabbage come to stay at the house and, together with a ghostly mouse called *Ishmael*, the three children begin to unravel a dastardly plot that *Maltravers*, the mysterious indoor gamekeeper, is hatching. Ada and her friends must work together to foil *Maltravers* before it's too late!

Packed full of beautiful black-and-white illustrations from author Chris Riddell, *Goth Girl and the Fete Worse Than Death* follows the adventures of Ada Goth in the sequel to the award-winning *Goth Girl and the Ghost of a Mouse*. Preparations for the *Ghastly-Gorm* garden party and bake off are under way. Celebrity cooks are arriving at the hall for the big event and, true to form, *Maltravers*, the indoor gamekeeper, is acting suspiciously. Elsewhere at *Ghastly-Gorm* Ada's wardrobe-dwelling lady's maid *Marylebone* has received a marriage proposal. Ada vows to aid the course of true love and find out what *Maltravers* is up to but, amidst all this activity, everyone, including her father, appears to have forgotten her birthday!

Prepare for a great battle of good, evil and sort of OK... Paul Stewart and Chris Riddell's *Muddle Earth* is a wonderfully funny fantasy adventure with unforgettable characters and beautiful illustrations throughout.
