Welcome to Our Discovery Island, a six-level primary series that engages children in 21st century learning. Children uncover clues and solve mysteries as they learn English. Whole learner: Adventures on themed islands develop cognitive, emotional, and social skills. Authenticity: Children are safe, absorbed and happy playing and practising in the online world Repetition: Songs, chants, and games reinforce essential vocabulary and grammar practice Motivation: Stories, characters, and activities engage learners. Our Discovery Island is a groundbreaking new course that makes learning English an exciting and engaging experience.

It's fast, it's focussed, and in one year students are ready to take the FCE exam. Great topics and an up-to-date feel keep students interested while they learn how to tackle each task with confidence.

Thirteen points of entry. Locked gateways to magical realms of immense power—and danger, for the uninitiated. Within these pages are thirteen keys. Enter the Necronomicon and be forever changed. In this authentic sourcebook for magicians, occult scholar Donald Tyson uses H. P. Lovecraft's story elements and characters—alien races, ancient sorceries, the Dreamlands, deities, witches, and ghouls—as the foundation for a workable and coherent system of modern ritual magic based on the thirteen true zodiacal constellations. This authoritative guide presents the essential elements of the Necronomicon myths for use in esoteric practices such as dream scrying, astral projection, magical rites, and invocations.

Go For It! uses dynamic language-building tasks to interest students in communicating in English while exploring their personal connections to such popular topics as entertainment, sports, and friends.

The Third Edition of this Aclassica text incorporates a broader and more detailed analysis of issues relevant to language teachers. "The Practice of English Language Teaching" is full of practical suggestions and samples from actual teaching materials.
