A powerful guide for every woman looking to find-or amplify-her voice Most books about public speaking don't tell you what to do when you open your mouth and nothing comes out. And they don't tell you how to get over the performance anxiety that most people naturally have. They don't tell you what to do in the moments when you are made, as a woman, to feel small. They don't tell you how to own the room. This book does. From the way Michelle Obama projects "happy high status," and the power of J.K.Rowling's understated speaking style, to Virginia Woolf's leisurely pacing and Oprah Winfrey's mastery of inner conviction, what is it that our heroines do to make us sit up and listen - really listen - to their every word? And how can you achieve that impact in your own life? How to Own the Room will show you exactly how.

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' – Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' – Hermione Lee, *The Financial Times*

You can be the leader you want to be--today and every day. Do you find yourself wishing you had more hours in the day? Do you want to do more, yet feel you just can't add another thing to your plate without being overwhelmed by stress or compromising your health, relationships, and integrity? No doubt, as a leader, there are some days when you feel the flow. You're able to make a difference and achieve big goals. You feel confident and energized. On days like this, you are your best self--the leader you want to be. But on other days, you go down a different, negative path, with pressures and doubts making you feel like a lesser version of yourself. How can you be the leader you want to be, every day? The answer is more than a time-management system or a silver-bullet solution for changing your routines. Leadership expert and coach Amy Jen Su's powerful new book helps readers discover that the answer lies within. By focusing in specific ways on five key leadership elements--Purpose, Process, People, Presence, and Peace--you can increase your time, capacity, energy, and ultimately your impact, with less stress and more equanimity. Drawing on rich and instructive stories of clients, leaders, artists, and athletes, as well as on research by experts, the author brings together the best of both Western management thinking and Eastern philosophy to provide a holistic yet hands-on approach. The *Leader You Want to Be* is your indispensable guide to tapping into and expanding your leadership capacity so that you can be your best, sustain yourself, and thrive as a leader.

Are you "leadership material?" More importantly, do others perceive you to be? Sylvia Ann Hewlett, a noted expert on workplace power and influence, shows you how to identify and embody the Executive Presence (EP) that you need to succeed. You can have the experience and qualifications of a leader, but without executive presence, you won't advance. EP is an amalgam of qualities that true leaders exude, a presence that telegraphs you're in charge or deserve to be. Articulating those qualities isn't easy, however. Based on a nationwide survey of college graduates working across a range of sectors and occupations, Sylvia Hewlett and the Center for Talent Innovation discovered that EP is a dynamic, cohesive mix of appearance, communication, and gravitas. While these elements are not equal, to have true EP, you must know how to use all of them to your advantage. Filled with eye-opening insights, analysis, and practical advice for both men and women, mixed with illustrative examples from executives learning to use the EP, *Executive Presence* will help you make the leap from working like an executive to feeling like an executive.

"Personal presence is difficult to define but easy to recognize. People with presence carry themselves in a way that turns heads. When they talk, people listen. When they ask, people answer. When they lead, people follow. Personal presence can help you get a date, a mate, a job, or a sale. It can help you lead a meeting, a movement, or an organization. Presence is not something you're born with--anyone can learn these skills, habits, and traits. Award-winning speaker and consultant Dianna Booher shows how to master dozens of small and significant things that work together to convey presence. She details how body language, manners, and even your surroundings enhance credibility and build rapport. You'll learn to use voice and language to demonstrate competence, deliver clear and memorable messages, and master emotions. You'll learn to think strategically, organize ideas coherently, and convey to others genuine interest, integrity, respect, and reliability. Take her self-assessment to measure your progress. With Dianna Booher's expert, entertaining advice, you can have the same kind of influence as the most successful CEOs, celebrities, and civic leaders. "

With the help of her family, a resourceful Mexican American girl realizes her dream of having a space of her own to read and to think.

Does public speaking paralyze you and tie your stomach into knots? Want to get a standing ovation every time? What goes into a dazzling opening and closing? Does the prospect of facing embarrassing judgment make your palms sweat? Or do you want to learn how to absolutely own the stage and become a magnetic speaker? Public speaking and presenting is one of the most common phobias -- and it's completely understandable. When else in our lives are we so open and vulnerable? But it's a necessary evil in all aspects of our lives, whether professionally and personally. From making a presentation in the boardroom to being more confident with the opposite sex, your speaking skills will take you to the next level and get what exactly what you want in your life. *Fearless Public Speaking* is the rare book that will (1) help you destroy your anxiety so you can confidently take any stage, and (2) once you're up there, be unforgettable and captivating as a speaker. The tenets in this book come from studying the experiences of the best presenters in the world, from CEOs, standup comics, to actors, and more. Jason Bax, noted actor, speaker, and entrepreneur, lends his thoughts in a guest chapter. And me? I'm a social skills and charisma coach, speaker, and semi-professional musician who thrives in front of the crowd... but I wasn't always like this - I know your struggles and I can help you from point A to point B! How will you learn to captivate audiences? •Why knowing where your audience gets their news is key to your memorability. •How to construct a bulletproof opening and closing. •How to make sure you reach any audience emotionally. •Overcoming stage fright and jitters with mental rehearsal techniques. As well as... •What rehearsed spontaneity is and how it makes your audience connect. •Stage presence techniques of the masters of performance like Freddie Mercury. •How standup comics own the stage and win over hostile crowds. •What a memory palace is and how it will help you memorize your speech. Put the audience in the palm of your hand, starting now! •Feel confident and empowered in taking the stage anywhere, anytime. •Speak your way to better jobs and relationships with each mini-presentation. •Build a reputation as an effective and engaging speaker. •Learn to overcome judgment and build self-confidence. •Own the room, audience, and applause.
