The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father is now available in paperback! Perfect for fans of Mo Willems's *Don't Let the Pigeon Drive the Bus!* and Jon Klassen's *I Want My Hat Back!* Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives--a wolf who HATES eating frogs--our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels--*I Don't Want to Be Big*, *There's Nothing to Do!*, and *I Don't Want to Go to Sleep*. "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . Sticks and Stones presents a treasure trove of building and engineering ideas for children to employ in the great outdoors using the materials made readily available to them, from cabins and tipis to bridges and dams. Many smaller scale projects are included, too—such as how to make ochre paint with shale, make a fishing pole, and carve a marshmallow roasting stick. Opportunities and materials for constructive play exist everywhere in nature. Author Melissa Lennig (of the blog Fireflies and Mud Pies) introduces today's screen-overloaded kids to this world of fun waiting just outside the door. Whether camping or hanging out in the back yard, children will marvel at the wonderful, useful tools and playthings they can create with natural objects. Sticks and Stones details various designs for the ever-popular

fort (cabins, tipis, survival shelters, etc.) and also covers structures such as bridges, fences, and dams, while explaining the STEAM principles behind each. In addition to structures, there are other ideas and projects for camping and the backyard, like a fire ring (explaining the types of fires, airflow, and safety), the always useful tripod, a travois, a rock garden, and toy boats. Along the way, there are multi-leveled reading opportunities in the form of quick features on considerations like mindfulness, campfire safety, mini STEAM design challenges, and more. Sticks and Stones is an essential resource for every junior outdoor adventurer.

Three selfish frogs quarrel over who owns their pond and island, until a storm makes them value the benefits of sharing.
