The Statue of Liberty Research Papers - Paper Masters

"The New Colossus" is a sonnet by American poet Emma Lazarus (1849–1887). She wrote the poem in 1883 to raise money for the construction of a pedestal for the Statue of Liberty (Liberty Enlightening the World). In 1903, the poem was cast onto a bronze plaque and mounted inside the pedestal's lower level.

News about Statue of Liberty, including commentary and archival articles published in The New York Times.

Here is the story of how the Statue of Liberty got its pedestal when Joseph Pulitzer, a Jewish immigrant and famous newsman, created one of the first American crowdfunding campaigns to raise money for it.

Read Book Paper Statue Of Liberty

When Joseph Pulitzer first saw the Statue of Liberty's head in Paris, he shared sculptor Auguste Bartholdi's dream of seeing France's gift of friendship stand in the New York harbor. Pulitzer loved words, and the word he loved best was liberty. Frustrated that many, especially wealthy New Yorkers, were not interested in paying for the statue's needed pedestal, Pulitzer used his newspaper, the New York World, to call on all Americans to contribute. Claudia Friddell's text and Stacy Innerst's illustrations capture this inspiring story of how one immigrant brought together young and old, rich and poor, to raise funds for the completion of a treasured national monument.

Presents a brief history of the Statue of Liberty and describes how France gave the statue to New York City to commemorate the relationship between the two countries, the creation and erection of the statue, and how its meaning has changed.

This educational coloring book details the Statue of Liberty's rich and stirring history and the immigration into America through Ellis Island. Thirty-eight illustrations feature complete captions and are based on historical paintings, wood engravings, and photographs taken from contemporary newspapers, magazines, and other sources. Free Teacher's Manual available. Grades: 1-2. Boost: Seriously Fun Learning! Keeping children entertained and engaged is the key to learning, and the Boost series offers a wide range of fun-filled coloring and activity books that help teach a variety of basic skills. Each title is targeted to a specific grade range and carefully aligned with the Common Core State Standards, which are listed at the bottom of each page.

Over 125 years ago our beloved Statue of Liberty made its way to New York Harbor. This Step 2 non-fiction reader uses illustrations and photographs to tell the story of how Lady Liberty was sculpted, transported from France, unveiled, and made into an American icon.

How did 121,000 Americans save their most beloved icon? Here is an inspiring story about the power we have when we all work together! "All rise to this evocative, empowering offering." -- Kirkus Reviews On America's 100th birthday, the people of France built a giant gift! It was one of the largest statues the world had ever seen -- and she weighed as much as 40 elephants! And when she arrived on our shores in 250 pieces, she needed a pedestal to hold her up. Few of America's millionaires were willing to foot the bill. Then, Joseph Pulitzer (a poor Hungarian immigrant-cum-newspaper mogul) appealed to his fellow citizens. He invited them to contribute whatever they could, no matter how small an amount, to raise funds to mount this statue. The next day, pennies, nickels, dimes, and quarters poured in. Soon, Pulitzer's campaign raised enough money to construct the pedestal. And with the help of everyday Americans (including many thousands of

Read Book Paper Statue Of Liberty

schoolchildren!) the Statue of Liberty rose skyward, torch ablaze, to welcome new immigrants for a life of freedom and opportunity! Chana Stiefel's charming and immediate writing style is perfectly paired with Chuck Groenink's beautiful, slyly humorous illustrations. Back matter with photographs included.

Describes the history of the Statue of Liberty, including its origins as a gift from France and its construction, and explores the landmark's enduring symbolism of freedom, democracy, and friendship.

Provides an introduction to the Statue of Liberty, including the history of its creation and its importance as a national symbol.

"If you think you know all there is to know about the Statue of Liberty, you'll be pleasantly surprised."—The New York Times When the crated monument first arrived in New York Harbor, few could have foreseen the central place the Statue of Liberty would come to occupy in the American imagination. In this book, cultural historian and scholar of French history Edward Berenson tells the little-known stories of the statue's improbable beginnings, transatlantic connections, and the changing meanings it has held for each successive generation. He tells of the French intellectuals who decided for their own domestic political reasons to pay tribute to American liberty; the initial, less-than-enthusiastic American response; and the countless difficulties before the statue was at last unveiled to the public in 1886. The trials of its inception and construction, however, are only half of the story. Berenson also shows how the statue's symbolically indistinct, neoclassical form has allowed Americans to interpret its meaning in diverse ways—as representing the emancipation of the slaves, Tocqueville's idea of orderly liberty, opportunity for "huddled masses," and, in the years since 9/11, the freedom and resilience of New York City and the United States in the face of terror. Includes photos and illustrations "Endlessly fascinating."—Louisville Courier-Journal

Describes the story of the young French artist and entrepreneur who set off for America after the Franco-Prussian War and how he envisioned, creatively funded and built the Statue of Liberty.
