"Perfect Day" is a song written by Lou Reed in 1972. It was originally featured on Transformer, Reed's second post-Velvet Underground solo album, and as a double A-side with his major hit, "Walk on the Wild Side". Its fame was given a boost in the 1990s when it was featured in the 1996 film Trainspotting and after a star-studded version was released as a BBC charity single in 1997, reaching number one in the United Kingdom, Ireland, and Norway. Reed re-recorded the song for his 2003 album ...

The Story Behind The Song: 'Perfect Day', Lou Reed's supposed love letter to heroin. The Lou Reed written track 'Perfect Day' may well be the perfect song, one of the greatest love songs that has ever been penned. However, many people are adamant that Reed's true muse for the track was not about his romantic partner and, in fact, was actually about the true love of his life during this period, heroin.

Lou Reed, Soundtrack: V for Vendetta. He formed the group The Velvet Underground with Welsh multi-instrumentalist John Cale, second guitarist Sterling Morrison, and drummer Maureen Tucker in New York in 1965. The group soon became a part of Andy Warhol's Factory scene, which housed a great number of the most freaked and experimental artists at the time.
