Political history of the Philippines - Wikipedia

The politics of the Philippines take place in an organized framework of a presidential, representative, and democratic republic whereby the president is both the head of state and the head of government within a pluriform multi-party system. This system revolves around three separate and sovereign yet interdependent branches: the legislative branch, the executive branch, and the judicial branch. Executive power is exercised by the government under the leadership of the president. Legislative pow

Politics of the Philippines - Wikipedia

The Republic of the Philippines was proclaimed on July 4, 1946, with Manuel Roxas as President. Massive rehabilitation and rebuilding out of the devastation brought about by the war was started. In 1972, Martial Law was declared by then President Ferdinand Marcos.

The Philippines: History

The Political and Economic History of the Philippine Islands. The Philippine Islands were part of the cultural area of the Malays, but history has created a quite different culture for the Malays in the Philippine Islands than it did for the rest of the Malays. It is uncertain when the Malays migrated into the Philippines but it is certain that they were not the first.

The 19th century. By the late 18th century, political and economic changes in Europe were finally beginning to affect Spain and, thus, the Philippines. Important as a stimulus to trade was the gradual elimination of the monopoly enjoyed by the galleon to Acapulco. The last galleon arrived in Manila in 1815, and by the mid-1830s Manila was open to foreign merchants almost without restriction.
