The apples that we know as Pink Lady were first developed in Australia in 1973 by John Cripps, who crossed a Golden Delicious tree with a Lady Williams. The result was a shockingly pink apple with a distinctly tart but sweet flavor, and it began being sold in Australia in 1989 under the trademarked name Cripps Pink.

Pink Lady is a brand name, and Cripps Pink is the actual variety of apple. Only the finest Cripps Pink apples are sold under the Pink Lady brand. The Pink Lady, has been around since the 1970s. John Cripps began developing the apple on his farm in Australia.

### [Pink Lady Apples - Minnetonka Orchards](#)

Pink Lady Apples, also known by their cultivar name, Cripps Pink, are aptly named because of their reddish-pink blush color. Pink Lady apples were discovered in 1973 after researcher John Cripps from Western Australia ' s Department of Agriculture, crossed the Golden Delicious and Lady Williams apple varieties.

A long-overdue political biography of Helen Gahagan Douglas-Broadway star, Congresswoman, Nixon nemesis, and forgotten heroine of American liberalism. If Hillary Clinton struggled to crack the glass ceiling in 2016, imagine the challenges that faced Helen Gahagan Douglas. She was a three-term Congresswoman beginning in 1944, and ran for the U.S. Senate against Richard Nixon just three decades after women gained the right to vote. Douglas was also a Broadway star, opera prima donna, friend of FDR, lover of LBJ, and passionate New Dealer. Acclaimed author Sally Denton brings every dimension of this extraordinary woman to life in *The Pink Lady*, a compelling account of Douglas's incomparable life as stage star, politician, and public intellectual. A brutal 1950 Senate campaign waged by Republican Congressman Richard Nixon ended Douglas' career as an elected official-Nixon and his henchmen tagged Douglas "The Pink Lady" and, with the help of the FBI's J. Edgar Hoover, made her victim to the same McCarthyist anti-Red hysteria that was sweeping Hollywood. Nixon's savage campaign was the prototype of right-wing smear tactics, a model studied by Lee Atwater and Karl Rove. Over four decades in politics, Douglas was a torchbearer for progressive ideals, supporting legislation for affordable housing, public education, and social security extension; in foreign policy she fought for nuclear disarmament and the creation of Israel. Denton's rich narrative restores Douglas to her rightful place as a pioneer of American politics.

In 2016, author Nicki Ells is fulfilling her calling. She ' s teaching English at a public high school. But halfway through the academic year, Ells feels a change within herself, a change in her body that signals something is wrong. In *The Pink Lady Gets a Wake Up Call*, she tells her story through a series of previously published blog posts, some of which are pure academia, some conjecture, and some are just whimsical as Ells takes a break from worrisome thinking and fighting with her body. Beginning in 2016, she shares her thoughts on a variety of topics including the education system, the health system, her trials, and her tribulations. Ells also reveals the research she conducted about her disease and how it all works and doesn ' t work, and she talks about support groups and the pharmaceutical game. This memoir chronicles the journey of this public-school, creative writing teacher as she takes an in-class, daily activity of teaching teens and turns it into a personal log of symptoms and experiences. Ells narrates how the pain, inability to cope, and misdiagnosis ' , which skewed any normalcy, were now in charge.

A portrait of the Broadway star and congresswoman covers her political achievements as a woman in male-dominated mid-20th-century arenas, her infamous rivalry with Richard Nixon, and her victimization by a McCarthyist smear campaign. By the award-winning author of *Passion and Principle*.

New National Theatre, sole manager W.H. Rapley, business management, Wm. H. Fowler. Klaw and Erlanger present the musical comedy de luxe "The Pink Lady," an adaptation from the French of "Le Satyre," by Georges Berr and Marcell Guillemaud, book and lyrics by C.M.S. McLellan, music by Ivan Caryll, of the Gayety Theatre, London, staged by Herbert Gresham, musical numbers staged by Julian Mitchell. Watty Hydes, conductor.

A cookbook never conceived before.... This is no ordinary cookbook; indulge in a flavorful journey, celebrating the inspiring story of Sabeen Mansoor through her amazing food. Starting from childhood until her sad demise due to Covid-19 at the young age of 43, it contains her mouth-watering recipes, life events and anecdotes on Pakistani culture. The book is a delight for anyone who loves cooking authentic Pakistani and International cuisine as Sabeen shares her secrets of producing delectable dishes. Written by her family, this book will inspire readers with Sabeen's Talent, Ambition, Passion, Love, and Values. It expresses that life can continue to be celebrated even after it ends, and that purpose can sustain loss. Keeping with the compassionate nature of Sabeen, 30% of each book's profit will go to two charities: Vineyard Community (Food Bank), Richmond London and The Citizens Foundation (TCF) Karachi, Pakistan.

In 1934, voters hoping to turn the tide of the Great Depression backed an unlikely candidate for governor of California: Upton Sinclair, muckraking author of *The Jungle* and lifelong socialist. Amazingly, Sinclair swept the Democratic primary, leading a mass movement called EPIC (End Poverty in California). Alarmed, Sinclair's opponents launched an unprecedented public relations blitzkrieg to discredit him. The result was nothing less than a revolution in American politics, and with it, the era of the "spin doctor" and the "attack ad" on the screen was born. Hollywood took its first all-out plunge into politics. In a riveting, blow-by-blow narrative featuring the likes of Franklin Roosevelt, Irving Thalberg, H. L. Mencken, William Randolph Hearst, Will Rogers, and Katharine Hepburn, Greg Mitchell brings to life the outrageous campaign that forever transformed the electoral process.
