World-renowned presentation coach Jerry Weissman has spent 20 years helping top executives succeed in the most important business presentations of their lives, and he ' s learned the best way to get his message across is to show his techniques in action. Weissman does just that in *Presentations in Action: 80 Memorable Presentation Lessons from the Masters*. He teaches how to make spectacularly successful presentations by showing exactly how great presenters have done it. Weissman dives into his library of outstanding presentations, sharing examples from current events, politics, science, art, music, literature, cinema, media, sports, and even the military. His compelling examples don ' t just demonstrate what ' s universal about effective human communication: they also reveal powerful ways to solve the specific challenges presenters encounter most often. This book ' s five sections focus on each element of the outstanding contemporary presentation: Content: Mastering the art of telling your story; Graphics: Designing PowerPoint slides that work brilliantly; Delivery skills: How to make actions speak louder than words; Q&A: How to handle tough questions; Integration: How to put it all together. From clarifying “ What ' s in it for you? ” to crafting better elevator pitches, improving flow to using anecdotes, *Presentation in Action* is packed with solutions – and packed with inspiration, too!

This is the eBook version of the printed book. This Element is an excerpt from *Presentations in Action* (9780132489621) by Jerry Weissman. Available in print and digital formats. Words, images, design, and beyond: integrating all parts of your presentation to deliver powerhouse results. One person involved in a presentation may view it as the story, another as slides, another as delivery, and another as the handling of tough questions. However, a well-told story can be ruined by slides that resemble a doctoral dissertation, or by a terrified presenter, or by a zinger question. Presenters must carefully manage and integrate every element....

Now, in *Winning Strategies for Power Presentations*, Weissman identifies the elements of a great presentation, distilling 75 best practices from the world's best persuaders into bite-sized chapters designed to be easy-to-read -- and equally easy to apply. Following on the heels of Weissman's best-selling *Presentations in Action*, this book presents powerful new insights into the four key areas of delivering winning presentations: contents, graphics, delivery, and Q-and-A sessions. Throughout, Weissman's compelling case studies range from Jon Stewart to venture capitalist John Doerr, Stephen King to Mark Twain, Franklin Delano Roosevelt to Netflix CEO Reed Hastings. Weissman also includes brand-new advice on a wide spectrum of "special presentation" issues, ranging from developing a richer public speaking voice to delivering scripted speeches, interviewing like a TV anchorperson to demonstrating products more successfully.

Answer even the toughest, most hostile questions brilliantly: take the floor, stay poised, and win your audience over every time! Imagine: you're standing in front of an audience and you've just been asked the question you'd been dreading — or, worse, you've been blindsided with a brutal question you never expected. What to do? Jerry Weissman has made a career of preparing executives for that moment. He's coached nearly 500 executives on their IPO road shows, the most critical presentations of their lives. Weissman's *In the Line of Fire* has established itself as the world's definitive guide to answering brutally tough questions in public — and now, he's completely updated this classic with new examples, case studies, and even more great advice. Using compelling, up-to-the-minute examples from Wall Street, Washington, D.C., and beyond, Weissman teaches how to respond with perfect assurance, no matter what. You'll discover how to avoid the defensive, evasive, or contentious answers that have destroyed political careers and can ruin your credibility. Weissman shows you how to control your entire exchange with a hostile questioner: the question, answer, interactions with questioner and audience, timing, and above all, yourself. Whether you're an executive, politician, fundraiser, interviewee, teacher, student — or even a family member at Thanksgiving dinner — you're judged on how you handle these moments. Get this book: handle them brilliantly.

In *Presentation in Action*, Weissman does just that: he teaches how to make spectacularly successful presentations by showing exactly how great presenters have done it. Weissman dives into his library of outstanding presentations, sharing examples from current events, politics, science, art, music, literature, cinema, media, sports, and even the military. His compelling examples don't just demonstrate what's universal about effective human communication: they also reveal powerful ways to solve the specific challenges presenters encounter most often. This book's five sections focus on each element of the outstanding contemporary presentation: **Content:** Mastering the art of telling your story; **Graphics:** Designing PowerPoint slides that work brilliantly; **Delivery skills:** How to make actions speak louder than words; **Q+A:** How to handle tough questions; **Integration:** How to put it all together. In this fully updated Second Edition of *Presenting to Win*, the world's #1 presentation consultant shows how to connect with even the toughest, most high-level audiences...and move them to action! Jerry Weissman shows presenters of all kinds how to dump those PowerPoint templates once and for all -- and tell compelling stories that focus on what's in it for the audience. Drawing on dozens of real case studies, Weissman shows how to identify your primary goals and messages before you even open PowerPoint; stay focused on what your listeners really care about; and capture your audience in the first crucial 90 seconds. Weissman covers all the practical mechanics of effective presentation: finding your flow...communicating visually...writing better slide text...making your numbers... using graphics...practicing aloud...customizing for different audiences...presenting online...and much more.
