QHHT Official Hypnosis Training - What is Quantum Healing ...

Dolores Cannon's method of hypnosis, Quantum Healing Hypnosis Technique? (QHHT®), involves inducing an individual into the Somnambulistic state of trance through visualization. A state which under ordinary circumstances is experienced only twice daily: the moment just before you become consciously awake and the moment just before you fall asleep. Historically, hypnotists have avoided conducting research with subjects in this state because of the often strange and inexplicable results ...

by the late Dolores Cannon. She developed the technique during her 45 years of research and has authored nearly twenty books on the subject. Dolores learned that working with clients while they were in a state of hypnotic trance allowed access to unlimited knowledge; including past lives they have lived, infinite access to personal information unknown to the client in the wakened state, and the power to heal oneself ...

My Quantum Healing Hypnosis Technique (QHHT) experience ...
Quantum Healing Hypnosis Technique (QHHT®) is a hypnosis technique developed by the famous past life regressionist and hypnotherapist, Dolores Cannon. It is a unique hypnosis method that uses information in our past lives and the help of our higher selves (or over souls) to provide answers and healing to the root cause of discomforts in our physical bodies.

Andrew QHHT - Andrew QHHT
Quantum Healing Hypnosis Explained
QHHT works by having you tap into a part of the brain that is only accessed twice a day; the moment right before you wake up and the moment right before you fall asleep. The first part of the technique is generally a past life regression.
