The Philippines series of the PALI Language Texts, under the general editorship of Howard P. McKaughan, consists of lesson textbooks, grammars, and dictionaries for seven major Filipino languages.

The Bikol language of the Philippines, spoken in the southernmost peninsula of Luzon Island and extending into the island provinces of Catanduanes and Masbate, is presented in this bilingual dictionary. An introduction explains the Bikol alphabet, orthographic representation (including policies adopted in writing Spanish and English loan words), foreign sounds in Bikol, and Bikol phonology. A section on the use of the dictionary outlines affixes, tenses, verbal and nonverbal stress, combined affix forms, the causative series "pa-", "mang-" and "pang-" series, "pang-" as a nominal, "maki-" and "paki-" series, "hing-" series, unintentional action, ability series, "magin," and plural nouns, verbs, and adjectives. The Bikol-English and English-Bikol dictionary sections follow.

The story of two generations of scientific explorers in South America—Richard Evans Schultes and his protégé Wade Davis—an epic tale of adventure and a compelling work of natural history. In 1941, Professor Richard Evan Schultes took a leave from Harvard and disappeared into the Amazon, where he spent the next twelve years mapping uncharted rivers and living among dozens of Indian tribes. In the 1970s, he sent two prize students, Tim Plowman and Wade Davis, to follow in his footsteps and unveil the botanical secrets of coca, the notorious source of cocaine, a sacred plant known to the Inca as the Divine Leaf of Immortality. A stunning account of adventure and discovery, betrayal and destruction, *One River* is a story of two generations of explorers drawn together by the transcendent knowledge of Indian peoples, the visionary realms of the shaman, and the extraordinary plants that sustain all life in a forest that once stood immense and inviolable.

The Philippines series of the PALI Language Texts, under the general editorship of Howard P. McKaughan, consists of lesson textbooks, grammars, and dictionaries for seven major Filipino languages.

A.D. 1494 - the earliest known writer on bookkeeping

Desmond Mellow, a seventeen-year-old teenager transfers to an all-boys high school after causing trouble in his previous school. Known to have behavioral issues and a little too much sass, he is looked down upon by adults and is shadowed by his older brother's achievements. When he arrives at Ivory High, he sits beside Ivan Moonrich, the Class Prince. His entire world shifts the second he lays eyes upon the boy with mahogany curls and beautiful grey eyes. A cascade of events unravels: new friends, new enemies, a new crush... And so begins an adventure of friendships, love, mistakes, and a teenager's struggle to find his place in the world. "We break the rules to exist as individuals and not as people."

This work presents a re-analysis of a major segment of the paradigm of the Serbo-Croatian verb. It concentrates chiefly on the perfective and imperfective morphology, but treats this classic problem in Slavic scholarship from a non-aspectual point of view. Literaturverz. S. 436 - 447. Durchsuchbare elektronische Faksimileausgabe als PDF. Digitalisiert im Rahmen des DFG-Projektes Digi20 in Kooperation mit der BSB München. OCR-Bearbeitung durch den Verlag Otto Sagner.
