#1 New York Times bestselling author Stephen King's beloved novella, *Rita Hayworth and Shawshank Redemption*—the basis for the Best Picture Academy Award–nominee *The Shawshank Redemption*—about an unjustly imprisoned convict who seeks a strangely satisfying revenge, is now available for the first time as a standalone book. A mesmerizing tale of unjust imprisonment and offbeat escape, *Rita Hayworth and Shawshank Redemption* is one of Stephen King's most beloved and iconic stories, and it helped make *Castle Rock* a place readers would return to over and over again. Suspenseful, mysterious, and heart-wrenching, this iconic King novella, populated by a cast of unforgettable characters, is about a fiercely compelling convict named Andy Dufresne who is seeking his ultimate revenge. Originally published in 1982 in the collection *Different Seasons* (alongside “The Body,” “Art Pupil,” and “The Breathing Method”), it was made into the film *The Shawshank Redemption* in 1994. Starring Morgan Freeman and Tim Robbins, this modern classic was nominated for seven Academy Awards, including Best Picture, and is among the most beloved films of all time.

Now a #1 National Bestseller! A journalist who's been attacked by Antifa writes a deeply researched and reported account of the

group's history and tactics. When Andy Ngo was attacked in the streets by Antifa in the summer of 2019, most people assumed it was an isolated incident. But those who'd been following Ngo's reporting in outlets like the New York Post and Quillette knew that the attack was only the latest in a long line of crimes perpetrated by Antifa. In *Unmasked*, Andy Ngo tells the story of this violent extremist movement from the very beginning. He includes interviews with former followers of the group, people who've been attacked by them, and incorporates stories from his own life. This book contains a trove of documents obtained by the author, published for the first time ever.

BONUS: This edition contains an excerpt from Nikki Turner's *Heartbreak of a Hustler's Wife*. The high priestess of the hood, Nikki Turner, is back with the novel fans have been feenin' for: the sequel to her #1 bestselling novel, *A Hustler's Wife*. Des, Virginia's slickest gangsta, is about to become a dad when he is charged with the murder of his own attorney. But with Yarni, his gorgeous wife (and a brilliant lawyer), now calling the shots, Des isn't going back to the slammer without a fierce fight. Even with the heat on, Des manages to take his game to the next level and finds a new hustle, one that will allow him to possess the three things all major players desire: money, power, and respect. He becomes a preacher. Reluctantly, Yarni stands by her man as he trades in his triple beam scale for a Bible and a Bentley and makes his Church of the Good Life Ministry a welcoming place for all sinners to step up to the altar. But when Des's nephew is killed in the high-stakes heroin trade and Des learns that someone close to him okayed the hit, the dyed-in-the-wool gangsta sets aside the Bible for the gospel of the streets—even if it means risking the one person who's always had his back.
