Communication for Sustainable Rural and Agricultural Development

COMMUNICATION FOR RURAL DEVELOPMENT - Food and Agriculture ... Agricultural communication is a field that focuses on communication about agriculture-related information among agricultural stakeholders and between agricultural and non-agricultural stakeholders. Agriculture is broadly defined in this discipline to include not only farming, but also food, fiber, animals, rural issues, and natural resources. Agricultural communication is done formally and informally by agricultural extension and is considered related to science communication. However, it has ev

Rural And Agricultural Development Communication Network
Information and communication technology in agriculture (ICT in agriculture), also known as e-agriculture, focuses on the enhancement of agricultural and rural development through improved information and communication processes

Information and communications technology in agriculture ... The common agricultural policy (CAP) supports the vibrancy and economic viability of rural communities through rural development measures (the so-called second pillar). The rural development measures reinforce the market measures and income supports of the CAP with strategies and funding to strengthen the EU’s agri-food and forestry sectors, environmental sustainability, and the wellbeing of rural areas in general.

Rural development | European Commission
ABSTRACT: Development communication was introduced as an integral part of rural development in Africa in the 1950s and 1960s to promote and facilitate the participation of the rural poor in the sharing of the benefits of development as well as the responsibility for development decision making.

APPLICATION OF DEVELOPMENT COMMUNICATION IN AFRICA’S RURAL ... In the case of non-agricultural rural development interests, a communication for rural development policy would aim to promote diffusion of information about non-agricultural micro-enterprise development, small business planning, nutrition, health and generally serve to provide useful, other-than-agriculture information.

II. Rural Development - Food and Agriculture Organization
Food and Agriculture Organization of the United Nations Office for Communication, Partnerships and Advocacy UN Roundtables on ComDev In 1996, the UN General Assembly Resolution A/Res/50/130 acknowledged “the pivotal role of communication in the successful implementation of development programs and the improvement of the interaction among actors in development, namely the agencies, organizations, funds and programs of the UN system, Governments and NGOs”. UN Roundtables are biannual inter ...
