Managing a retail operation in a salon or spa can be a daunting task. To the technician learning business skills, Retail Management for Salons and Spas is a fantastic resource. This text provides essential business information and a clear understanding of what it takes to run a profitable retail operation while overseeing the day-to-day operations. Topics include identifying a target market, preparing and executing a marketing plan, retail sales forecasting, vendor selection, purchasing strategies, inventory management, record keeping, space planning, and incentivizing staff. It also effectively provides tools such as case studies, learning activities, and quizzes to bring lessons to life. With Retail Management for Salons and Spas, professionals will learn the why, the when, and the how of selling retail products to their customers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Small Business Marketing Strategies All In One For Dummies, in conjunction with the U.S. Chamber of Commerce, will provide all the strategies a small business owner would need to generate high-impact campaigns that result in growth and revenue. It will cover developing and evaluating your marketing needs, setting your goals, branding your message, getting your campaign started, using online and social media marketing, incorporating tried-and-true marketing methods, and measuring your results.

Two Thousand Years of Solitude: Exile After Ovid is an interdisciplinary study of the impact of Ovid's banishment upon later Western literature and explores the responses to Ovid's portrait of his life in exile. Two millennia after his banishment, Ovid is still a potent symbol of the punished author, suffering in exile.
