By the last throes of winter, we all are eagerly waiting for the resurrection of springtime. We watch for signs of it. A sudden newness arrives, which speaks to hearts that have held out through the winter. Along with the rebirth, there is a solid recognition of age, for spring is an ancient renewal. Spring: A Spiritual Biography of the Season explores this delicate balance between the new and the ancient, evoking our sense that springtime is a time of poignant renewal, of youth merged with age, of giddy joy tempered by wisdom.

Enter the fast-paced world of SAP HANA 2.0 with this introductory guide. Begin with an exploration of the technological backbone of SAP HANA as a database and platform. Then, step into key SAP HANA user roles and discover core capabilities for administration, application development, advanced analytics, security, data integration, and more. If you're an SD consultant or are in charge of managing an SAP implementation in your enterprise, you'll want this valuable resource at your side SAP is one of the leading Enterprise Resource Planning (ERP) software products on the market, with over 40,000 implementations Covers the latest version of SAP ERP-ECC 6.0 Covers common through advanced configurations, so it's helpful no matter what your level of experience with SAP Explains the conceptual framework behind the configuration process If your company uses the SD module, keep this indispensable guide on hand.

"Whether you're upgrading an existing billing system or moving to a subscription or consumption-based model, SAP BRIM is ready-and here's is your guide! From subscription order management and charging to invoicing and contract accounting, get step-by-step instructions for each piece of the billing puzzle. For setup, execution, or analytics, follow a continuous case study through each billing process. With this book, join the future of billing!"--

Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family ' s property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks ' secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: “ A fearsome and beautifully written book that can't be put down or forgotten. ” —The New York Times “ Exciting and excellently written. ” —The New York Times Book Review “ With its serious intentions and light touch the story is, like the Tucks, timeless. ” —Chicago Sun-Times “ Probably the best work of our best children's novelist. ” —Harper's “ Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder. ” —The Boston Globe “ This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear. ” —Entertainment Weekly This title has Common Core connections.
