<i>Each chapter of this book will examine different aspects of the Antichrist, the seed of the serpent, using a steady foundation of biblical testimony with supporting evidence from non-canonical, historical, rabbinical, and occult sources.</i>

<i>THE SERPENTS SEED expounds upon a Biblical doctrine that is essential for the proper understanding of both the Scriptures and the present day, but which has remained obscured for the past fifteen hundred years. And the doctrine is this: that since the creation of man we have been at war, not only against Satan and his corruptive influences, but against the literal offspring of fallen angels and mortal women. These hybrid creatures reigned during the days of Noah and Abraham, battled Joshua and King David for control of Israel, tormented the Jews during the time of Jesus, and continue to roam the earth even today. Our society, even our church, has fallen under the sway of these ancient and terrible beings. Thus The Serpents Seed was written so that we might not depart from the faith, giving heed to seducing spirits, and doctrines of devils (1st Timothy 4:1).</i>
<i>The Biblical END TIMES prophecy is one of the most influential and pervasive beliefs of human history. It has been with us for thousands of years, is delicately woven into society's fabric, and is the foundational basis for the belief in the divine right of kings and other civil authority. Religious institutions promote the divine right of kings concept, and the ruling elite are seldom shy about playing their expected roles, even if they may resent the inherent implication of being second best. Many of the ruling elite, whether operating in the public domain or behind the curtain, appear to be working diligently at dethroning God and elevating themselves to the position of being the all-wise and omnipotent benefactors of all things good and the honored recipients of our undivided loyalty. This book entices the reader to explore a nearly universal but rarely challenged belief and the implications it has had and continues to have on our liberty. The Wallaces are your average Joe and Jane, but they were blessed with an insatiable curiosity, a passion for the subject matter, and a skeptical view of secular and religious authority. They were both raised in very similar, conservative, church-going families during the '50s and '60s and embarked on their own lives in the '70s, taking their inherited core values and belief systems with them as they entered adulthood and assumed their places in the world. The authors don't have a portfolio of educational degrees or extensive writing credentials, but they are, nonetheless, eager to let their book speak for itself. The Wallaces live in southwestern Colorado.</i>

<i>Does Bible prophecy seem too confusing to you? Can you know when the end time will take place and what events will be included in the end of history on Earth? Will the Church be subjected to the judgments of God and persecution at the hands of the Antichrist? Revelation of the End Time answers these and other prophetic questions, derived from texts in Scripture, to give a clear awareness of the developments in God's plan. The easy-to-understand language of this informative and mesmerizing volume puts together the puzzle of the end time. Knowledge of these future happenings can have an effect in your life. What you read in these pages will challenge you to take end time prophecy seriously and compel you to investigate the Bible for answers. Jesus's First Advent assures you of His Second Coming. You should be familiar with and be ready for that end of history event—learn here. Revelation of the End Time is a comprehensive guide to end time Bible prophecy pertaining to: • God's plan for man • the Rapture • the Tribulation • Jesus's Physical Second Appearing • the Millennium • Eternity</i>
<i>Volume seven of the Antichrist Septenate takes up issues crucial to our understanding of the final events preceding the return of our Lord and Savior Jesus Christ</i>
