Secrets in the Cellar is the true story of a crime that shocked the world.

A loving father-- a missing daughter-- and the awful truth that lay hidden just below. The true story of the Austrian incest case that shocked the world.

The true crime story that made international headlines: Josef Fritzl held his daughter captive as a sex slave, and fathered seven children with her, creating a hidden family no one knew about-not even Fritzl's own wife.

In the quiet Austrian town

Online Library Secrets In The Cellar

of Amstetten in the balmy spring of April 2008, a truly horrifying vision of hell was discovered by police in the cellar of a normal suburban home. On 28 August 1984, seemingly respectable family man Josef Fritzl had lured Elisabeth, the youngest of his seven children, into the cellar of their family home, where he then drugged and handcuffed her in a windowless dungeon he'd spent years constructing. For the next 24 years Josef held his daughter captive in unimaginable conditions and repeatedly raped her, fathering seven children. When the eldest captive

child, Kerstin, was admitted to hospital, Josef's sickening web of incest and abuse was uncovered by the authorities. This is the full and utterly disturbing true story of what happened in those underground chambers of horror.

On 28 August 1984, Josef Fritzl drugged his teenage daughter with ether and imprisoned her in an underground bunker behind eight locked doors. Over the following twenty-four years, he raped and abused her, never letting her or the children she bore him out of the dark, windowless cellar. Based on 150 new interviews

Online Library Secrets In The Cellar

with psychologists, neighbours, colleagues and friends who knew Fritzl, as well as the insight of his own chilling confession, Allan Hall reconstructs the monstrous personality behind this hideous crime. He exposes Josef Fritzl's dark past in Nazi Austria, his previous conviction as a rapist, the appalling conditions in which Elisabeth and her children were kept and her astonishingly brave conduct while held prisoner. Including exclusive photographs and previously unseen evidence, this is a truly heart-stopping record of one of the most elaborate

and disturbing cases of
abuse in modern times.

When Natascha Kampusch made her bid for freedom on 23 August 2006 after eight years held captive in a seemingly ordinary Austrian suburban house, her story horrified and astonished the entire world. How did she survive a childhood locked in a cellar What sort of young woman had emerged What kind of man was Wolfgang Priklopil, her abductor - and what demands had he made of her As the days and weeks passed and Natascha's TV interview failed to quell the curiosity, so the questions began to change.

Online Library Secrets In The Cellar

What exactly was the relationship between abductor and hostage Why had Natascha waited so long to escape when it seemed there had been other, earlier opportunities Did Natascha's parents know Priklopil before he kidnapped their daughter Allan Hall and Michael Leidig have tracked the story from the days of the 10-year-old's disappearance. They have spoken to police investigators, lawyers, psychiatrists, and to the family members closest to Natascha. They have come as close as possible to uncovering the full, shocking story. It is a

story that tests the limits of our understanding of how human beings behave - and makes our hearts bleed for the plight of an innocent child caught up in a horror story almost beyond our imagining.

"Lily?" My stomach dropped as a tall, dark-haired man stepped into view. Had he been hiding between the trees? "No. Sorry." Gulping, I took a step back. "I'm not Lily." He shook his head, a satisfied grin on his face. "No. You are Lily." "I'm Summer. You have the wrong person." You utter freak! I could hear my pulse crashing in my ears. How stupid to

give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her—and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...

The perfect series for kids who loved THE LEMONADE WAR series and are ready for more mysteries! Edgar Award Nominee for Best Mystery! "With wit, cunning, snappy dialogue and superior math skills, The Red Blazer Girls represent the best of girl-detectives while still feeling relatable and real. Nancy Drew would be right at home with this group." -- Huffington Post's 15 Greatest Kid Detectives List It all began with The Scream. And ended with . . .

well, if we told you that, it wouldn't be a mystery! But in between *The Scream* and *The Very Surprising Ending*, three friends find themselves on a scavenger hunt set up for a girl they never met, in search of a legendary ring reputed to grant wishes. Are these sleuths in school uniforms modern-day equivalents of Nancy, Harriet, or Scooby? Not really, they're just three nice girls who decide to help out a weird lady, and end up hiding under tables, tackling word puzzles and geometry equations, and searching rather moldy storage rooms for "the stuff that dreams

are made of" (that's from an old detective movie). Oh, and there's A Boy, who complicates things. As boys often do. Intrigued? The Red Blazer Girls offers a fun, twisty adventure for those who love mystery, math (c'mon, admit it!), and a modest measure of mayhem. Michael Beil, a New York City high school English teacher and life-long mystery fan, delivers a middle-grade caper that's perfect for middle-grade readers who have finished THE LEMONADE WAR series and are ready for more advanced mysteries!
