Hair Oil Blend. A great tip is to pre-make a hair oil blend, which you can then use in your smoothie treatment. I buy my oils from iHerb (see them here) and the best part is that each oil is multi-use ☺ they're great for your skin too, so you can add it into your bath or dab it on your skin after a shower!

To help make your smoothie kidney friendly, try using lower potassium fruits like strawberries, blueberries, or fresh apple. Skip the banana typically added to smoothies, and use low potassium applesauce to thicken them instead, or decrease the banana to ½ a small one, which is plenty to sweeten your smoothie and add body, without adding too much potassium.
