social issues facing the world in 2021. You review the long-term impacts of COVID-19, repercussions of the 2020 election and emerging social movements. Quotes from prominent celebrities and captivating features emphasize how today's social problems affect your own life and those around you. This edition progresses from studying micro problems related to health care, drugs and alcohol, families and crime to examining larger issues of poverty and inequality, population growth, aging, environmental problems, science and technology and world conflict. The latest content helps you develop the tools to understand institutional change and become socially engaged. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Read Book Social Problems Test Bank 360

Seeing Social Problems: The Hidden Stories Behind Contemporary Issues shows students how to think about social problems in a new way, by carefully analyzing headline-making issues they are already familiar with and illustrating the connection between individual problems and larger social forces. Each chapter engages students in thinking about the world sociologically by focusing on a specific case study that represents a more general social problem. The chapters always start with the knowledge, beliefs, attitudes, and
