## Sociolinguistic

Sociolinguistic variation is the study of the way language varies (see also the article on Linguistic Variation And Dialectology) and changes (see Historical linguistics) in communities of speakers and concentrates in particular on the interaction of social factors (such as a speaker's gender,

# Online Library Sociolinguistic

ethnicity, age, degree of integration into their community, etc) and linguistic structures (such as sounds, grammatical forms, intonation features, words, etc).

## Examples of Linguistic Variation

Theory and practice.

Theory and practice are terms that are often set in opposition to each other, but not for very good reasons. This is a book about theory, but it is not a book that is, one might say, "couched in abstractions with little relevance to the real world of language use".
