**Sociology For Dummies by Jay Gabler, Paperback | Barnes ...**  
By Jay Gabler. Sociology is the scientific study of society – of people interacting in groups, from small social circles to global society. Sociologists gather information about the social world and systematically analyze that information to understand social phenomena including class, race, gender, culture, social networks, and historical change. Many sociologists are academics – trying to understand society simply for the sake of understanding – but many work in corporations ...

Jay Gabler. I'm a writer and editor living in Minneapolis. My day job is as a digital producer at Minnesota Public Radio's The Current, where among other projects I host/write our Rock and Roll Book Club feature. I'm also a co-founder of The Tangential and, from 2016 to 2020, served as the last theater critic at City Pages (R.I.P.). Books I've written, co-written, or co-edited include Sociology for Dummies (second edition, 2021), Wildsam Field Guides: Twin Cities (2020), Sexts from the Sea ...
