Produced by the Scotch (later 'Scottish') Education Department, these exam papers show how education developed in Scotland over this period, with a growing choice of subjects.

Exam papers - National Library of Scotland
Each unit will be assessed continually in class, through the use of past paper based homework and an A-D level class test and SQA assessment. The National 5 Biology Course covers major areas of biology including cellular, whole organism and ecosystems. The key areas of biodiversity, interdependence, body systems and cells and inheritance are developed through the Course.
