Captain's log: We have entered a galaxy where beloved illustrator Jenny Parks has conjured an astonishingly vivid homage to the original Star Trek series with an unexpected twist: a cast of cats. Featuring a hilarious new take on iconic characters and scenes—from Kirk in the Captain's chair to Spock offering his Vulcan wisdom—this eye-opening adventure stays true to the tone of the classic TV show. Playful, loving, and from a strange new world, Star Trek Cats is the perfect gift for fans of, well, Star Trek and cats.

In celebration of one of science fiction's most beloved franchises, an updated edition of the acclaimed Ships of the Line hardcover collection. They dared to risk it all in a skiff of reeds or leather, on a ship of wood or steel, knowing the only thing between them and certain death was their ship. To explore, to seek out what lay beyond the close and comfortable, every explorer had to embrace danger. And as they did so, what arose was a mystical bond, a passion for the ships that carried them. From the very first time humans dared to warp the fabric of space, escaping from the ashes of the third World War, they also created ships. These vessels have become the icons of mankind's desire to rise above the everyday, to seek out and make the unknown known. And these ships that travel the stellar seas have stirred the same passions as the ones that floated in the oceans. While every captain has wished that their starship could be outfitted in the same manner as the sailing ship H.M.S. Beagle—without weapons—that proved untenable. From the start, Starfleet realized that each vessel, due to the limited range of the early warp engines, must be able to stand alone against any attack. Thus arose the idea, taken from the days of wooden sailing ships, that every Starfleet vessel must stand as a ship of the line. Through the actions of their captains and crews, countless starships have taken on that role. Here we remember some of those ships and their heroic crews. In celebration of one of science fiction's most beloved franchises, this updated edition of the acclaimed Ships of the Line hardcover collection now includes dozens of additional images brought together for the first time in book format—spectacular renderings featured in the highly successful Star Trek: Ships of the Line calendar series. With text by Star Trek's own Michael Okuda, the story of each of these valiant starships now comes to life. ™, ®, & © 2014 CBS Studios, Inc. adventures on the holodeck, Captain Picard and the rest of the U.S.S. Enterprise NCC-1701-D crew are reimagined as cats with lovingly detailed and eyebrow-raising scenes from throughout the award-winning series, perfect for Star Trek fans across the Galaxy. Of all the diverse races and civilizations encountered by Starfleet, none have been as fearsome and unstoppable as the cybernetic life-form known as the Borg™. Captain Jean-Luc Picard of the Starship Enterprise™ considered them the closest thing to pure evil that he had ever faced. So who could have guessed that an unrepentant Borg could become a valuable crew member aboard a Federation starship? Here, complete in one volume, are the scripts for the original episodes of Star Trek: Voyager® that brought Seven of Nine aboard Captain Janeway's ship. These powerful and thought-provoking narratives trace her tumultuous development from an anonymous Borg drone to a unique and exceptional individual, whose rediscovery of her own lost humanity has only just begun. Relive the drama and conflict that have made Seven of Nine one of the most fascinating characters on television today -- and in the depths of the Delta Quadrant.

In unabashed celebration of Captain James T. Kirk 's singular fighting skills, Star Trek: Kirk Fu Manual is every Starfleet cadet's must-have training guide for surviving the final frontier. As captain of the legendary U.S.S. Enterprise, James T. Kirk engaged in his share of fisticuffs, besting opponents with a slick combination of moves and guile that remains unmatched. Is there anyone you 'd rather have watching your back as you take on Klingons, alien gladiators, genetically engineered supermen, and even the occasional giant walking reptile? Kirk Fu is a series of unarmed combat techniques developed by one of Starfleet 's most celebrated starship captains over several years of encounters with alien species on any number of strange new worlds. A blend of various fighting styles, Kirk Fu incorporates elements of several Earth-based martial arts forms as well as cruder methods employed in bars and back alleys on planets throughout the galaxy. It is as unorthodox in practice as it is unbelievable to behold. Including excerpts from Kirk 's own notes and personal logs, the Star Trek: Kirk Fu Manual is the perfect training guide for surviving the depths of space. With proper training and practice, every Starfleet cadet can become one with Kirk Fu.

What we need is a hero! In times of struggle--an attack of crabbiness, a stolen piano, a depressed Woodstock--Snoopy 's on the scene. Helping the Peanuts gang through various adventures (and misadventures), Snoopy continues his standoff with the Red Baron, finds every opportunity to kiss Lucy on the nose, and ventures out to find the mysterious Lila. Meanwhile, Charlie Brown faces anxiety over saying good-bye, Lucy tries ever more desperately to get Schroeder to notice her, and Linus ponders what life would be like without his blanket. Can Snoopy save the day? Find out in this new collection of the classic Peanuts comics.

The communicator is used for voice communication and serves as an emergency-signaling device for Starfleet. This kit includes a replica of the iconic communicator, which features light and sound, and a 48-page book on the history of communicators, complete with full-color photos.

The director and writer of the second, third and fourth Star Trek movies shares his memories of their creation and much more. Reprint.

The second volume in a chronological history of the Starfleet starships in Star Trek TV and films, from the 24th century to the far future! This in-depth reference book covers Starfleet vessels including the U.S.S. Enterprise, NCC- 1701-D, U.S.S. Voyager and Starfleet's first true warship - the U.S.S. Defiant. The final chapter features time traveling ships from the distant future. All the featured ships are illustrated with CG artwork, including original VFX models made for the TV show. The second volume

## Download File PDF Star Trek 2017 Wall Calendar The Original Series

presenting the first chronological history of all of the Starfleet ships featured in the Star Trek television programs and films. This volume presents the technical information, service history, and artwork of the iconic ships featured in Star Trek: The Next Generation, Star Trek: Voyager, Star Trek: Deep Space Nine, Star Trek: First Contact, and Star Trek: Nemesis.

A humorous collection of dozens of photos of funny and adorable cats as they play with, roll in, and chow down their favorite snack of choice -- catnip. Cats love catnip. Whether it's eating it, playing with it, or rolling around in it, catnip turns our domestic feline friends into hilarious balls of activity. Carefree and unconstrained, they are free to be silly, exceptionally playful, and downright gnarly. Professional pet photographer and self-confessed crazy cat man Andrew Marttila (the photographer behind Shop Cats of New York) captures a range of the cats' silly and expressive personalities as they react to their catnip trip. Delightful, elegant Fluffy transforms into a hell-bent renegade. Shy, reserved Mittens becomes a free-loving acrobat. In the blink of an eye, a cat's expression transforms from bored to inquisitive to playful to curious to bizarre . . . to utterly unhinged. A fun and delightful look at our furry companions, this gift book is perfect for every cat lover.
