"Stargate: Atlantis" The Lost Tribe (TV Episode 2008) - IMDb

Atlantis' original Stargate was recently destroyed due to the use of the Attero device, which had the side-effect of destroying active Stargates. The destroyed gate was later replaced with a Stargate from the former intergalactic gate bridge network and retains both the ability to dial an intergalactic address and the ability to activate its shield, as they are not functions of the Stargate itself.

Atlantis - Stargate Wiki

After encountering a powerful enemy known as the Wraith and going to war with them for one hundred years, the Ancients ultimately lost and were forced to submerge their city beneath Lantea's ocean, which, in the Stargate universe, is the source of the Greek myth of the Lost City of Atlantis. Stargate: Atlantis episodes feature a self-contained story that also contributes to the larger storyline of the war against the Wraith and the Atlantis residents' search for the means to destroy their enemy.

It is through this outpost that, in Stargate: Atlantis' series premiere "Rising", an eight symbol gate address is found that leads to the long-sought-after "Lost City" of the Ancients— also known as Atlantis. The search for this city had been an ongoing theme since the sixth season of Stargate SG-1.

Stargate: Atlantis - Stargate Wiki

The main adversaries on Stargate Atlantis, the Wraith are the dominant species in the Pegasus galaxy. They are biologically immortal hive-based humanoids who feed on the "life-force" of humans, causing them to "lose years" in a way similar to aging. They evolved from the Iratus bug, as the bugs began acquiring the human characteristics of the persons they were feeding on.

Stargate Atlantis is a Canadian-American science fiction television series created by Brad Wright and Robert C. Cooper as a spin off from its sister show, Stargate SG-1. The series resumes the story of the "Lost City" and "New Order" episodes of SG-1, where a military team led by Colonel Jack O'Neill, Dr. Daniel Jackson, Major Samantha Carter and the Jaffa Teal'c, use an ancient alien artifact called the Stargate to travel to different planets to explore and find new technology. The series pilot

Stargate: Atlantis RISING is a fairly straight-forward prose adaptation of the SG:A two-parter of the same name. It fleshes out a handful of scenes from the episodes, gives some insight into some characters' heads (Sumner and Ford, stand out for me), and generally doesn't contradict much from the screen version (aside from the spelling of "Ethosians").

Searching for their lost crew after the terrible events of Homecoming, the Stargate Atlantis team turns to their enemies for help as Teyla and Ronon seek information from the Genii, and Colonel Sheppard reopens tense negotiations with the Wraith. Original.

In this first installment in a six book series set after the end of Stargate Atlantis's final season, Atlantis returns to the Pegasus Galaxy where the Wraith are now under the new and powerful Queen of Death who desperately needs Dr. Rodney McKay--the only one who can lead them to Earth. Original.

Presents the novelization of the pilot of the hit sci-fi adventure TV show, Stargate Atlantis.

The Atlantis team return from the Pegasus Galaxy to investigate a Wraith sighting on Earth. Teaming up with members of SG-1, they soon discover that the Wraith aren't the only monsters stalking human prey.

First there was the blockbuster movie "Stargate," then the hit TV series "Stargate SG-1," and now the equally successful spinoff show "Stargate: Atlantis." This work is the official companion to the shows third season, packed with behind-the-scenes interviews, an episode guide, and scores of photos.

A brutal society needs the team to harness Wraith technology.

A new tale based on the People's Choice Award-winning television series finds the team of soldiers and scientists working to unravel a new mystery in the Pegasus galaxy. Original.

Reeling from the terrible events of Homecoming: Stargate Atlantis, the team are doing whatever it takes to find their lost crew—even if it means turning to their enemies for help. While Teyla and Ronon seek information from the Genii, Colonel Sheppard reopens tense negotiations with the Wraith, Todd, struggling to ensure that he remains Todd's ally and not his hostage.
