Tortilla Flat. In the town of Tortilla Flat above beautiful Monterey lived a group of men called the paisanos. They were drunkards, thieves, ruffians, and vagabonds, but they were also surprisingly good at heart; requiring little more from life than friendship and a little wine. Among these paisanos were Danny, Pilon, Pablo, Jesus Maria, and Big Joe Portagee.

Also, Tortilla Flat was written over eighty years ago and probably does reflect aspects of Paisano life at the time as accurately as Steinbeck could see it from his outsider's viewpoint. He writes amusing stories of the men's antics as entertainment for readers however, though the seriousness of their poverty is always very apparent.

Adopting the structure and themes of the Arthurian legend, John Steinbeck created a "Camelot" on a shabby hillside above the town of Monterey, California, and peopled it with a colorful band of knights. At the center of the tale is Danny, whose house, like Arthur's castle, becomes a gathering place for men looking for adventure, camaraderie, and a sense of belonging—men who fiercely resist the corrupting tide of honest toil and civil rectitude. As Nobel Prize winner Steinbeck chronicles their deeds—their multiple lovers, their wonderful brawls, their Rabelaisian wine-drinking—he spins a tale as compelling and ultimately as touched by sorrow as the famous legends of the Round Table, which inspired him.

For the first time in one volume, the early California writings of one of America's greatest novelists have been collected, including the seminal works, *Tortilla Flat* and *Of Mice and Men*, tracing his early growth and evolution. 20,000 first printing.

A resonant biography of America's most celebrated novelist of the Great Depression. The first full-length biography of the Nobel laureate to appear in a quarter century, *Mad at the World* illuminates what has made the work of John Steinbeck an enduring part of the literary canon: his capacity for empathy. Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression, and his rise to greatness with masterpieces such as *The Red Pony*, *Of Mice and Men*, and *The Grapes of Wrath*. Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty, fascinated by the guileless decency of the downtrodden denizens of Cannery Row,

and appalled by the country's refusal to recognize the humanity common to all of its citizens, Steinbeck took a stand against social injustice—paradoxically given his inherent misanthropy—setting him apart from the writers of the so-called "lost generation." A man by turns quick-tempered, compassionate, and ultimately brilliant, Steinbeck could be a difficult person to like. Obsessed with privacy, he was mistrustful of people. Next to writing, his favorite things were drinking and womanizing and getting married, which he did three times. And while he claimed indifference about success, his mid-career books and movie deals made him a lot of money—which passed through his hands as quickly as it came in. And yet Steinbeck also took aim at the corrosiveness of power, the perils of income inequality, and the urgency of ecological collapse, all of which drive public debate to this day. Steinbeck remains our great social realist novelist, the writer who gave the dispossessed and the disenfranchised a voice in American life and letters. Eloquent, nuanced, and deeply researched, *Mad at the World* captures the full measure of the man and his work.

negative aspects of the American dream. One of these literary works which deals with the negative aspects of the American dream is "Tortilla Flat" by John Steinbeck. The book is about a group of societal marginal figures, which do not have any interest in becoming rich and famous and they take their life as it comes. For them, friendship and freedom are more important than wealth and therefore they represent the counterpart of the American dream. But there are also characters in the book, which believe in the American dream and who strive for wealth and reputation. That is why "Tortilla Flat" provides a good contrast of the proponents and opponents of the American dream. In this research paper I will analyse the main characters of "Tortilla Flat" and compare them to the American dream. First of all I will explain what the American dream really is. Afterwards I will give a short summary of the plot of the book and an overview of the historical background. Then I will show the western frontier in the book, which is also part of the American dream. After that I will analyse the main characters of "Tortilla Flat": Women, Torelli and the paisanos. Finally I will give a short conclusion.

Each working day from January 29 to November 1, 1951, John Steinbeck warmed up to the work of writing East of Eden with a letter to the late Pascal Covici, his friend and editor at The Viking Press. It was his way, he said, of

"getting my mental arm in shape to pitch a good game." Steinbeck's letters were written on the left-hand pages of a notebook in which the facing pages would be filled with the text of *East of Eden*. They touched on many subjects—story arguments, trial flights of workmanship, concern for his sons. Part autobiography, part writer's workshop, these letters offer an illuminating perspective on Steinbeck's creative process, and a fascinating glimpse of Steinbeck, the private man.

This book aims to both describe and analyze the way Steinbeck learned the writing craft. It begins with his immersion in the short story, some years after he stopped attending Stanford University. Aside from a weak first novel, his professional writing career began with the publication in 1932 of *The Pastures of Heaven*, stories set in the Salinas Valley and dedicated to his parents. From that book he wrote truly commanding stories such as *The Red Pony*. Intermixed with Steinbeck's journalism about California's labor difficulties, his writing skill led to his 1930 masterpieces, *Of Mice and Men*, *In Dubious Battle*, and *The Grapes of Wrath*. The latter novel, winner of the Pulitzer Prize for Fiction in 1940, led eventually to his being awarded the Nobel Prize for Literature in 1962. He continued producing such wide-ranging works as *The Pearl*, *East of Eden*, *The Winter of Our Discontent*, and *Travels with*
