It was first published by House of Anansi in 1972. A work of literary criticism, as Atwood writes in her preface to the 2004 edition, Survival was an attempt to deal with her belief that in the early 1970s, Canadian literature was still looking for a grounding in a national identity that would be comparable to that of Great Britain or the United States.

Survival: A Thematic Guide to Canadian Literature - Wikipedia

Distinguished, provocative, and written in effervescent, compulsively readable prose, Survival is simultaneously a book of criticism, a manifesto, and a collection of personal and subversive remarks. Margaret Atwood begins by asking: "What have been the central preoccupations of our poetry and fiction?" Her answer is "survival and victims."

Survival: A Thematic Guide to Canadian Literature | Bartleby

Survival: A Thematic Guide to Canadian Literature, by Margaret Atwood (Toronto, 1972), has enjoyed a controversial, sometimes heated reception. Readers who disagree with Atwood find her thesis - that most Canadian literature deals with victims of various types and that "grim survival" is its central theme - forced, and argue that she has selected works which will support her argument.

Survival: Thematic Guide to Canadian Literature by Atwood ...

Atwood's Survival was a seminal book for me back in the 1970's. Her theory that there are national themes in literature is very useful for studying cultures generally. The rap on the book is that she has not done a thorough, scholarly job of research and tends to favour references to books written by her friends or published by her publisher.
