Statistics - Introduction AP Stat 5.2 (part 1) Test 7a Ap Statistics Answer

Test 7A AP Statistics Name:

Directions: Work on these sheets. Part 1:

Multiple Choice. Circle the letter corresponding to the best answer. 1.

Suppose X is a random variable with mean μ . Suppose we observe X many times and keep track of the average of the observed values. The law of large numbers says that (a) the value of μ will get larger and larger as we observe X . (b) as we observe X more and more, this average and the value of μ will get larger and larger.
