~~The Angel's Game (El juego del ángel, 2008) is a prequel to 2001's The Shadow of the Wind, by Spanish author Carlos Ruiz Zafón. The novel marks a return to The Cemetery of Forgotten Books in Barcelona's Raval district, and the Sempere & Sons bookshop. Like The Shadow of the Wind, it was translated into English by Lucia Graves and published in 2009.~~

~~The Cemetery of Forgotten Books trilogy written by Carlos Ruiz Zafon has been my favorite find of 2016. The stories are riviting, the characters are complex and engaging, and his wrtiting style has a classical poetic lyricism to it. I flew The Prisoner of Heaven, The Angel's Game, and The Shadow of the Wind in record time.~~

~~The Angel's Game, though the second book to the beautiful Shadow of the Wind, is neither a prequel nor a sequel. Essentially it is a stand-alone story that you can fully enjoy on its own but if you want to get the most out of it and discover all the connections that will enhance your reading experience with the characters, I highly recommend reading them in their publication order and not 4.5~~
