Together weave a very American business tale of formidable odds and refreshing success.

A "fascinating and well-documented social history" of American beer, from the immigrants who invented it to the upstart microbrewers who revived it (Chicago Tribune). Grab a pint and settle in with *AmbitiousBrew*, the fascinating, first-ever history of American beer. Included here are the stories of ingenious German immigrant entrepreneurs like Frederick Pabst and Adolphus Busch, titans of nineteenth-century industrial brewing who introduced the

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

pleasures of beer gardens to a nation that mostly drank rum and whiskey; the temperance movement (one activist declared that “the worst of all our German enemies are Pabst, Schlitz, Blatz, and Miller”); Prohibition; and the twentieth-century passion for microbrews. Historian Maureen Ogle tells a wonderful tale of the American dream—and the great American brew. “As much a painstakingly researched microcosm of American entrepreneurialism as it is a love letter to the country’s favorite buzz-producing beverage . . . ‘Ambitious Brew’ goes down as brisk and refreshingly as, well, you know.”

—New York Post

Winner of 2014 U.S. Gourmand Drinks Award • Taste 5,000 years of brewing history as a time-traveling homebrewer rediscovers and re-creates the great beers of the past. The Brewer's Tale is a beer-filled journey into the past: the story of brewers gone by and one brave writer's quest to bring them—and their ancient, forgotten beers—back to life, one taste at a time. This is the story of the world according to beer, a toast to flavors born of necessity and place—in Belgian monasteries, rundown farmhouses, and the

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Basement nanobrewery next door. So pull up a barstool and raise a glass to 5,000 years of fermented magic. Fueled by date-and-honey gruel, sour pediococcus-laced lambics, and all manner of beers between, William Bostwick's rollicking quest for the drink's origins takes him into the redwood forests of Sonoma County, to bullet-riddled South Boston brewpubs, and across the Atlantic, from Mesopotamian sands to medieval monasteries to British brewing factories. Bostwick compares notes with the Mt. Vernon historian in charge of preserving George Washington's molasses-based home brew, and he finds the ancestor of

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Today's macrobrewed lagers in a nineteenth-century spy's hollowed-out walking stick. Wrapped around this modern reportage are deeply informed tales of history's archetypal brewers: Babylonian temple workers, Nordic shamans, patriots, rebels, and monks. The Brewer's Tale unfurls from the ancient goddess Ninkasi, ruler of intoxication, to the cryptic beer hymns of the Rig Veda and down into the clove-scented treasure holds of India-bound sailing ships. With each discovery comes Bostwick's own turn at the brew pot, an exercise that honors the audacity and experimentation of the craft. A

## Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Tommy English  
Sticky English porter, a pricelessly rare Belgian, and a sacred, shamanic wormwood-tinged gruit each offer humble communion with the brewers of yore. From sickly sweet Nordic grogs to industrially fine-tuned fizzy lager, Bostwick's journey into brewing history ultimately arrives at the head of the modern craft beer movement and gazes eagerly if a bit blurry-eyed toward the future of beer.

Dismiss the stereotype of the bearded brewer. It's women, not men, who've brewed beer throughout most of human history. Their role as family and village brewer lasted for

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Tom Asitelli  
Hundreds of thousands of years—through the earliest days of Mesopotamian civilization, the reign of Cleopatra, the witch trials of Medieval and Renaissance Europe, and the settling of colonial America. *A Woman's Place Is in the Brewhouse* celebrates the contributions and influence of female brewers and explores the forces that have erased them from the brewing world. It's a history that's simultaneously inspiring and demeaning.

Wherever and whenever the cottage brewing industry has grown profitable, politics, religion, and capitalism have grown greedy. On a macro scale, men have repeatedly seized

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

control and forced women out of the business. Other times, women have simply lost the minimal independence, respect, and economic power brewing brought them. But there are more breweries now than at any time in American history and today women serve as founder, CEO, or head brewer at more than one thousand of them. As women continue to work hard for equal treatment and recognition in the industry, author Tara Nurin shows readers that women have been—and are once again becoming—relevant in the brewing world.

Personal tales of perseverance and beer

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

making from the founder of Sierra Nevada Brewing Co. Beyond the Pale chronicles Ken Grossman's journey from hobbyist homebrewer to owner of Sierra Nevada Brewing Co., one of the most successful craft breweries in the United States. From youthful adventures to pioneering craft brewer, Ken Grossman shares the trials and tribulations of building a brewery that produces more than 800,000 barrels of beer a year while maintaining its commitment to using the finest ingredients available. Since Grossman founded Sierra Nevada in 1980, part of a growing beer revolution in America, critics have

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Tom Artelli proclaimed his beer to be "among the best brewed anywhere in the world." Beyond the Pale describes Grossman's unique approach to making and distributing one of America's best-loved brands of beer, while focusing on people, the planet and the product Explores the "Sierra Nevada way," as exemplified by founder Ken Grossman, which includes an emphasis on sustainability, nonconformity, following one's passion, and doing things the right way Details Grossman's start, home-brewing five-gallon batches of beer on his own, becoming a proficient home brewer, and later, building a small brewery in the town

Tom Asitelli  
of Chico, California Beyond the Pale shows how with hard work, dedication, and focus, you can be successful following your dream.

Over the past 40 years craft-brewed beer has exploded in growth. In 1980, a handful of "microbrewery" pioneers launched a revolution that would challenge the dominance of the national brands, Budweiser, Coors, and Miller, and change the way Americans think about, and drink, beer. Today, there are more than 2,700 craft breweries in the United States and another 1,500 are in the works. Their influence is spreading to Europe's

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Tom Aschelli  
Great brewing nations, and to countries all over the globe. In *The Craft Beer Revolution*, Steve Hindy, co-founder of Brooklyn Brewery, tells the inside story of how a band of homebrewers and microbrewers came together to become one of America's great entrepreneurial triumphs. Beginning with Fritz Maytag, scion of the washing machine company, and Jack McAuliffe, a US Navy submariner who developed a passion for real beer while serving in Scotland, Hindy tells the story of hundreds of creative businesses like Deschutes Brewery, New Belgium, Dogfish Head, and Harpoon. He shows how their individual and

Tom Acitelli

Collective efforts have combined to grab 10 percent of the dollar share of the US beer market. Hindy also explores how Budweiser, Miller, and Coors, all now owned by international conglomerates, are creating their own craft-style beers, the same way major food companies have acquired or created smaller organic labels to court credibility with a new generation of discerning eaters and drinkers. This is a timely and fascinating look at what America's new generation of entrepreneurs can learn from the intrepid pioneering brewers who are transforming the way Americans enjoy this

Tom Astelli  
wonderful, inexpensive, storied beverage:  
beer.

Goose Island opened as a family-owned Chicago brewpub in the late 1980s, and it soon became one of the most inventive breweries in the world. In the golden age of light, bland and cheap beers, John Hall and his son Greg brought European flavors to America. With distribution in two dozen states, two brewpubs and status as one of the 20 biggest breweries in the United States, Goose Island became an American success story and was a champion of craft beer. Then, on March 28,

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Tom Askeith  
2011, the Halls sold the brewery to Anheuser-Busch InBev, maker of Budweiser, the least craft-like beer imaginable. The sale forced the industry to reckon with craft beer's mainstream appeal and a popularity few envisioned. Josh Noel broke the news of the sale in the Chicago Tribune, and he covered the resulting backlash from Chicagoans and beer fanatics across the country as the discussion escalated into an intellectual craft beer war. Anheuser-Busch has since bought nine other craft breweries, and from among the outcry rises a question that Noel addresses through personal anecdotes from

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Industry leaders: how should a brewery grow?

A full-color, lushly illustrated graphic novel that recounts the many-layered past and present of beer through dynamic pairings of pictures and meticulously researched insight into the history of the world's favorite brew. Starting from about 7,000 BC, *The Comic Book Story of Beer* traces beer's influence through world history, encapsulating early man's experiments with fermentation, the rise and fall of Ancient Rome, the (often beer-related) factors that led Europe out of the Dark Ages, the Age of Exploration, the spread

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

of capitalism, the Reformation, and on up to the contemporary explosion of craft brewing. No book has ever told the story of beer in a graphic format as a liberating or emancipating force that improved the life of everyday people. Visually riffing on abstract subjects like pasteurization, "original gravity," and "lagering," artist Aaron McConnell has a flair for cinematic action and demonstrates versatility in depicting characters and episodes from beer's rich history. Hand-drawn in a classic, accessible style, *The Comic Book Story of Beer* makes a great gift, and will appeal to the most avid

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Comic book geek and those who live for beer.

The Guardian's "Best Books on Drink" Pick  
Most people know that wine is created by fermenting pressed grape juice and cider by pressing apples. But although it's the most popular alcoholic drink on the planet, few people know what beer is made of. In lively and witty fashion, *Miracle Brew* dives into traditional beer's four natural ingredients: malted barley, hops, yeast, and water, each of which has an incredible story to tell. From the Lambic breweries of Belgium, where beer is fermented with wild yeasts drawn down

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

From the air around the brewery, to the aquifers below Burton-on-Trent, where the brewing water is rumored to contain life-giving qualities, Miracle Brew tells the full story behind the amazing role each of these fantastic four—a grass, a weed, a fungus, and water—has to play. Celebrated U.K. beer writer Pete Brown travels from the surreal madness of drink-sodden hop-blessings in the Czech Republic to Bamberg in the heart of Bavaria, where malt smoked over an open flame creates beer that tastes like liquid bacon. He explores the origins of fermentation, the lost age of hallucinogenic gruit beers, and

# Where To Download The Audacity Of Hops History Americas Craft Beer Revolution

Tom Aschell  
The evolution of modern hop varieties that now challenge wine grapes in the extent to which they are discussed and revered. Along the way, readers will meet and drink with a cast of characters who reveal the magic of beer and celebrate the joy of drinking it. And almost without noticing we'll learn the naked truth about the world's greatest beverage.

"Lager explores the history, styles, brewing techniques, and allure of the world's most popular type of beer"--
