Endgame - The Calling is the first in James Frey 's new series set to be published through Harper Collins. Fox has already purchased the movie rights for this YA novel, and, while details are forthcoming, it has been revealed that Google was involved in the deal. The plot for Endgame is being kept under wraps, although it was described as Hunger Games-like in tone by several sources.

The New York Times bestseller and international multimedia phenomenon! In each generation, for thousands of years, twelve Players have been ready. But they never thought Endgame would happen. Until now. Omaha, Nebraska. Sarah Alopay stands at her graduation ceremony—class valedictorian, star athlete, a full life on the horizon. But when a meteor strikes the school, she survives. Because she is the Cahokian Player. Endgame has begun. Juliaca, Peru. At the same moment, thousands of miles away, another meteor strikes. But Jago Tlaloc is safe. He has a secret, and his secret makes him brave. Strong. Certain. He is the Olmec Player. He's ready. Ready for Endgame. Across the globe, twelve meteors slam into Earth. Cities burn. But Sarah and Jago and the ten others Players know the truth. The meteors carry a message. The Players have been summoned to The Calling. And now they must fight one another in order to survive. All but one will fail. But that one will save the world. This is Endgame.

The sequel to the New York Times bestseller and international multimedia phenomenon, Endgame: The Calling.

Perhaps the most unconventional and literally breathtaking father-son story you'll ever read, My Friend Leonard pulls you immediately and deeply into a relationship as unusual as it is inspiring. The father figure is Leonard, the high-living, recovering coke addict "West Coast Director of a large Italian-American finance firm" (read: mobster) who helped to keep James Frey clean in A Million Little Pieces. The son is, of course, James, damaged perhaps beyond repair by years of crack and alcohol addiction—and by more than a few cruel tricks of fate. James embarks on his post-rehab existence in Chicago emotionally devastated, broke, and afraid to get close to other people. But then Leonard comes back into his life, and everything changes. Leonard offers his "son" lucrative—if illegal and slightly dangerous—employment. He teaches James to enjoy life, sober, for the first time. He instructs him in the art of "living boldly," pushes him to pursue his passion for writing, and provides a watchful and supportive veil of protection under which James can get his life together. Both Leonard's and James's careers flourish...but then Leonard vanishes. When the reasons behind his mysterious absence are revealed, the book opens up in unexpected emotional ways. My Friend Leonard showcases a brilliant and energetic young writer rising to important new challenges—displaying surprising warmth, humor, and maturity—without losing his intensity. This book proves that one of the most provocative literary voices of his generation is also one of the most emphatically human.

One of the most celebrated and controversial authors in America delivers his first novel—a sweeping chronicle of contemporary Los Angeles that is bold, exhilarating, and utterly original. Dozens of characters pass across the reader's sight lines—some never to be seen again—but

James Frey lingers on a handful of LA's lost souls and captures the dramatic narrative of their lives: a bright, ambitious young Mexican-American woman who allows her future to be undone by a moment of searing humiliation; a supremely narcissistic action-movie star whose passion for the unattainable object of his affection nearly destroys him; a couple, both nineteen years old, who flee their suffocating hometown and struggle to survive on the fringes of the great city; and an aging Venice Beach alcoholic whose life is turned upside down when a meth-addled teenage girl shows up half-dead outside the restroom he calls home. Throughout this strikingly powerful novel there is the relentless drumbeat of the millions of other stories that, taken as a whole, describe a city, a culture, and an age. A dazzling tour de force, *Bright Shiny Morning* illuminates the joys, horrors, and unexpected fortunes of life and death in Los Angeles.

All three thrilling volumes of *Endgame: The Training Diaries*, the prequel novellas to the New York Times bestselling *Endgame* series, together in one paperback bind-up! *Before they were Players . . . Before the Calling . . .* They trained to be selected as the one to save their ancient bloodline—and win *Endgame*. Follow the Twelve through sacrifices and betrayals, broken hearts and broken bones, as they shed their normal lives and transform into the Players they were meant to be. They must train, learn, prepare. To Play, survive, and solve. To kill or be killed. *Endgame* is real. *Endgame* is coming. And only one can win.

From the New York Times bestselling author of *A Million Little Pieces* and *Bright Shiny Morning* comes *Katerina*, James Frey's highly anticipated new novel set in 1992 Paris and contemporary Los Angeles. A kiss, a touch. A smile and a beating heart. Love and sex and dreams, art and drugs and the madness of youth. Betrayal and heartbreak, regret and pain, the melancholy of age. *Katerina*, the explosive new novel by America's most controversial writer, is a sweeping love story alternating between 1992 Paris and Los Angeles in 2018. At its center are a young writer and a young model on the verge of fame, both reckless, impulsive, addicted, and deeply in love. Twenty-five years later, the writer is rich, famous, and numb, and he wants to drive his car into a tree, when he receives an anonymous message that draws him back to the life, and possibly the love, he abandoned years prior. Written in the same percussive, propulsive, dazzling, breathtaking style as *A Million Little Pieces*, *Katerina* echoes and complements that most controversial of memoirs, and plays with the same issues of fiction and reality that created, nearly destroyed, and then recreated James Frey in the American imagination.

"Wickedly brilliant, dark and addictive!" - Jodi Ellen Malpas, #1 New York Times bestselling author *The Price of Survival*... Gabriel Miller swept into my life like a storm. He tore down my father with cold retribution, leaving him penniless in a hospital bed. I quit my private all-girl's college to take care of the only family I have left. There's one way to save our house, one thing I have left of value. My virginity. A forbidden auction... Gabriel appears at every turn. He seems to take pleasure in watching me fall. Other times he's the only kindness in a brutal underworld. Except he's playing a deeper game than I know. Every move brings us together, every secret rips us apart. And when the final piece is played, only one of us can be left standing. * * * * * THE PAWN is a full-length contemporary novel from New York Times bestselling author Skye Warren about revenge and seduction in the game of love. It's the first book in the captivating *ENDGAME* trilogy. "Sinfully sexy and darkly beautiful, *The Pawn* will play games with your heart and leave you craving more!" - Laura Kaye, New York Times bestselling author "Edgy, provocative and deeply erotic, *The Pawn* is one of my top reads of the year! Skye Warren brings you a sensual battle of wills guaranteed to leave you gasping by the end." - Elle Kennedy, New York Times bestselling author "Smart, dark, deeply sensual

read with characters I fell in love with from the minute they walked onto the page!" - Carly Phillips, New York Times bestselling author
"Positively sinful, and outrageously sexy! Emotions run high and readers will be left gasping." - Lisa Renee Jones, New York Times bestselling author
"Skye Warren's THE PAWN is a triumph of intrigue, angst, and sensual drama. I was clenching everything. Gabriel and Avery sucked me in from the first few paragraphs and never let go." - Annabel Joseph, New York Times bestselling author
"With the precision of a high-stakes game of Chess, THE PAWN is dark, sexy, and deliciously calculated. Gabriel is the perfect alpha, leaving you reeling as his dominance, power, and unexpected tenderness creates the ideal mixture. Five glowing stars." - Aleatha Romig, New York Times bestselling author
"A stealthy, sensual, twisted game of cat and mouse that sucked me in completely and had me turning the pages faster and faster. Cunning and brilliant." - K.L. Kreig, USA Today bestselling author

James Frey isn't like other writers. He's been called a liar. A cheat. A con man. He's been called a saviour. A revolutionary. A genius. He's been sued by readers. Dropped by publishers because of his controversies. Berated by TV talk-show hosts and condemned by the media. He's been exiled from America, and driven into hiding. He's also a bestselling phenomenon. Published in 38 languages, and beloved by readers around the world. What scares people about Frey is that he plays with truth; that fine line between fact and fiction. Now he has written his greatest work, his most revolutionary, his most controversial. The Final Testament of the Holy Bible. What would you do if you discovered the Messiah were alive today? Living in New York. Sleeping with men. Impregnating young women. Euthanizing the dying, and healing the sick. Defying the government, and condemning the holy. What would you do if you met him? And he changed your life. Would you believe? Would you? The Final Testament of the Holy Bible . It will change you. Hurt you. Scare you. Make you think differently. Live differently. Enrage you. Offend you. Open your eyes to the world in which we live. We've waited 2,000 years for the Messiah to arrive. We've waited 2,000 years for this book to be written. He was here. The Final Testament of the Holy Bible is the story of his life.
