Discworld - Wikipedia
The Color of Magic is the first book in the marvelous series of
Discworld. In this book we are introduced to Rincewind, the tourist Twoflower and the suitcase. They are a great place to begin the adventures that await in Discworld.

Somewhere on the frontier between thought and reality exists the Discworld, a parallel time and place which might sound and smell very much like our own, but which looks completely different. Particularly as...
"Colour of Magic" by Terry Prachett is the first book of the Discworld series. Even though it was one of Prachett's first books, it is the essence of this entire saga. "Colour of Magic" operates with rather ironic humor, based on contrast. Diskworld is a mix of our reality and fantasy world, where instead of science, civilizations are based on magic.
