role as a business consultant in the blueprint phase, the book progresses through to your role as a techno-functional expert during the realization stage. This approach helps you anticipate challenges and gives you the tools to handle them. Going beyond the standard SAP SRM scenarios, this book gives you practical tips for enabling complex customer requirements by leveraging SAP NetWeaver and SAP Business Suite applications. You can also use this reference as a troubleshooting guide to quickly resolve potentially costly implementation challenges. If you need practical direction for your SAP SRM implementation, then this book is ideal for you.

The Ultimate SAP ® User Guide is the essential handbook for all aspiring SAP professionals. SAP master and experienced author Rehan Zaidi has put out an easy-to-follow, illustrated guide that will help you take your SAP skills to the next level. At a time when SAP jobs are competitive, it's important to exceed expectations. This book will help you to do just that - with up-to-date content on the latest ERP 6.0 screens across modules. Whether you need help getting started on SAP, personalizing your SAP system, or creating your own reports, this book will guide you. Polished by a review panel of SAP experts, The Ultimate SAP User Guide is an affordable alternative to costly training. You can use the book as step-by-step training, or simply use it as a reference when your job calls for a new task or SAP skills. With The Ultimate SAP User Guide, you are on the way to SAP mastery.

This book offers a comprehensive introduction to SAP ERP Profit Center Accounting (PCA) for both classic general ledger (GL) and the new GL. Get the tools you need to set profitability targets for business (planning) and then compare actual results against those targets to improve overall profitability. Solidify your understanding of the difference between PCA and SAP Controlling Profitability Analysis (CO-PA) views. Gain in-depth knowledge of the concepts, objects, and functionality available in PCA in SAP ERP, including the relevant master data set-up, actual data flows, planning scenarios, and reporting options. Clarify the differences between PCA and CO-PA and understand when it is best to use each. Dive into profit center transfer pricing and obtain detailed configuration and set-up steps required for activation. By using practical examples, tips, and screenshots, the author brings readers up to speed on SAP Profit Center Accounting. - Fundamentals of SAP Profit Center Accounting (PCA) - Concepts, master data, actual data flow, and planning basics - Differences between PCA in classic and new GL - Reporting for Profit Center Accounting (PCA)

Author Linda Timms goes beyond the standard consulting guide to bring you constructive reliable advice

for delivering effective, complete, professional functional specs on time. Filled with plain English, real-world examples, hints and tips, SAP: How to Write a Report Functional Specification provides the secrets you need to make a daunting task achievable. Whether you are

Obtain tips and tricks on how to resolve specific errors and get a list of relevant transaction codes. By using a detailed example scenario, the author expertly brings readers up to speed on the fundamentals of SAP IHC and IHB.

- SAP payment management fundamentals and tools
- In-House Cash and In-House Bank functionality scenarios
- Useful transaction codes and reports
- Tips and tricks for resolving common errors

SAP(r) Pricing is one of the most flexible functionalities in the SAP system, but it's also one of the most complex. Project team members and consultants alike avoid having to deal with Pricing. Why is that? Although the standard SAP documentation explains SAP's individual Pricing capabilities, it does not clearly illustrate how the individual pieces connect as a whole. Pricing expert Matthias Liebich provides this missing link with The Ultimate SAP Pricing Guide. Through easy-to-read, step-by-step instructions, Matthias guides you through real-life business examples in how to use the SAP Pricing functionality. If you would like to get a better understanding of SAP Pricing and become a respected
