He didn't ask to be a hero, but now all that stands between us and chaos . . . is Colt. Colt McAlister was having the summer of his life. He spent his days surfing and his nights playing guitar on the beach with friends. He even met a girl and got his first car. But everything changes when his parents are killed in a freak accident. He's forced to leave his old life behind and move to Arizona with his grandfather. The only person he knows at the new high school is a childhood friend named Dani. And Oz, a guy he's sure he's never met but who is strangely

familiar. But what if his parents' death wasn't an accident? His mother, an investigative reporter, was going to expose a secret mind-control program run by one of the world's largest companies. Before she could release the story, what if agents from Trident Biotech made sure she couldn't go public? Vowing to uncover truth, Colt is drawn into a secret world of aliens, shapeshifters, flying motorcycles, and invisible getaways. The invasion has begun.

and her realm. With each passing day, Kelsea Glynn is growing into her new responsibilities as Queen of the Tearling. By stopping the shipments of slaves to the neighboring kingdom of Mortmesne, she crossed the Red Queen, a brutal ruler whose power derives from dark magic, who is sending her fearsome army into the Tearling to take what is hers. And nothing can stop the invasion. But as the Mort army draws ever closer, Kelsea develops a mysterious connection to a time before the Crossing, and she finds herself relying on a strange and possibly dangerous ally: a woman named Lily, fighting

for her life in a world where being female can feel like a crime. The fate of the Tearling –and that of Kelsea's own soul–may rest with Lily and her story, but Kelsea may not have enough time to find out. In this dazzling sequel, Erika Johansen brings back favorite characters, including the Mace and the Red Queen, and introduces unforgettable new players, adding exciting layers to her multidimensional tale of magic, mystery, and a fierce young heroine.

On the heels of the wildly popular "The Darkest Powers" series comes the first in another supernatural YA trilogy from New York Times bestselling author Kelley Armstrong. Maya lives in a small medical-research town on Vancouver Island. How small? You can't find it on the map. It has less than two-hundred people, and her school has only sixty-eight students – for every grade from

kindergarten to twelve. Now, strange things are happening in this claustrophobic town, and Maya's determined to get to the bottom of them. First, the captain of the swim team drowns mysteriously in the middle of a calm lake. A year later, mountain lions start appearing around Maya's home, and they won't go away. Her best friend, Daniel, starts getting negative vibes from certain people and things. It doesn't help that the new bad boy in town, Rafe, has a dangerous secret – and he's interested in one special part of Maya's anatomy: Her paw-print birthmark.
