Direct Mail Advertising; Either of the techniques mentioned above can be incorporated into direct mail. It simply means that your printed pieces are mailed directly to the consumer. This is a technique that has been and continues to be, abused by inferior marketing agencies that have turned the craft into junk mail.

Different Types of Advertising Methods and Media

The Fall of Advertising and the Rise of PR was first published in August 2002. The first part of this classic draws up examples to prove that advertising and its impact is overrated. The second part shows eleven examples of the advantages of public relations.

The Fall of Advertising and the Rise of PR - Industrie-Contact

As Fall 2020 comes to a close, The Impression looks back on some of the biggest trends that characterized the season 's fashion campaigns and advertisements. The most impactful work we 've seen this year, from both designers and creative directors, has felt particularly concerned with an awareness of time and history: a recognition of how precariously the present teeters on the border of past and future.
