"The Firm as a Collaborative Community: The Reconstruction of Trust in the Knowledge Economy Edited by Charles Heckscher and Paul S. Adler I was dismayed last month to discover that I hadn't already written a review for this book, partially because it's so full of insights, and partially because it's such a behemoth that reviewing it will take some time.

The Firm as a Collaborative Community: Reconstructing ...

We find that every firm has a wide array of collaboration: in each firm, some partners spend nearly all their time on collaborative, cross-practice matters, whereas others work almost exclusively alone. Clearly then, a firm's compensation system plays a large part in shaping partners' behavior, but a great number of other variables matter, too.
