The 11th book, The Grim Grotto begins with a description of the water cycle, which Snicket calls boring, but a far better way to spend one's time than "learning what became of the Baudelaires ...

NOW A NETFLIX ORIGINAL SERIES Warning: Your day will become very dark—and possibly damp—if you read this book. Plan to spend this spring in hiding. Lemony Snicket is back with the eleventh book in his New York Times bestselling A Series of Unfortunate Events. Lemony Snicket's saga about the charming, intelligent and grossly unlucky Baudelaire orphans continues to provoke suspicion and despair in readers the world over. In the eleventh and most alarming volume yet in the bestselling phenomenon A Series of Unfortunate Events, the intrepid siblings delve further into the dark mystery surrounding the death of their parents and the baffling VFD organisation.

This is the eleventh book of Snicket's saga about the charming, intelligent, and grossly unlucky Baudelaire orphans, which continues to alarm its distressed and suspicious fans the world over.

Still pursued by the evil Count Olaf, the Baudelaire orphans attempt to reach a very important VFD meeting, but first they must travel in a rattletrap submarine to the Gorgonian Grotto, a dangerous underwater cave, in search of the sugar bowl.

Still pursued by the evil Count Olaf, the Baudelaire orphans attempt to reach a very important VFD meeting, but first they must travel in a rattletrap submarine to the Gorgonian Grotto, a dangerous underwater cave, in search of the sugar bowl.

NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in A Series of Unfortunate Events by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read The Slippery Slope, The Grim Grotto, The Penultimate Peril, or The End. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of A Series of Unfortunate Events, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

Wintertime is here, and that means it is bedtime for Bear. But Bear's friends don't think so. They want Bear to come and play outside in the snow. Bear can hear his friends calling. He hears them laughing and playing. Bear can't sleep. But it's bedtime! What is a bear to do?

There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . Like handshakes, house pets or raw carrots, many things are preferable when not slippery. Unfortunately the Baudelaires run into more than their fair share of slipperiness during their harrowing journey up and down a range of strange and distressing mountains in The Slippery Slope. In order to spare you repulsion it is best not to mention any more regarding a secret message, a toboggan, a deceitful trap, a swarm of snow gnats and a scheming villain. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

I should have asked the question "How could someone who was missing be in two places at once?" Instead, I asked the wrong question -- four wrong questions, more or less. This is the account of the second. In

the fading town of Stain'd-by-the-Sea, young apprentice Lemony Snicket has a new case to solve when he and his chaperone are hired to find a missing girl. Is the girl a runaway? Or was she kidnapped? Was she seen last at the grocery store? Or could she have stopped at the diner? Is it really any of your business? These are All The Wrong Questions.

Still pursued by the evil Count Olaf, the Baudelaire orphans attempt to reach a very important VFD meeting, but first they must travel in a rattletrap submarine to the Gorgonian Grotto, a dangerous underwater cave, in search of the sugar bowl.
