Herbal Remedies Made Simple is a unique guide to natural healing items you can make yourself, with each herbal remedy showcased in a full-color, split-page design. Natural alternatives to traditional medicines are everywhere, even right outside your door! Herbal Remedies Made Simple is an easy and fun way to learn about the many different healing herbs that grow all around us but we seldom see. The best part: once you're familiar with the natural healing herbs around you, Herbal Remedies Made Simple provides you with instructions on creating your own DIY herbal remedies at home. This unique guide book splits its pages in half. The top halves of the pages detail different remedies and recipes for health, personal care, and home care. The bottom pages provide reference material on the herbs used in the project above; detailing the plant's healing properties and how best to work with that herb. Some of the healing recipes within: Lavender cleanser Rose water toner Chamomile facial exfoliant Comfrey joint and bruise salve Nerve tonic tincture Teas for headaches, stress, sleep, and colds Joint and muscle soak Fully photographed and illustrated, this is the perfect guide for the beginning herbal practitioner.

A step-by-step guidebook that shows you how to make your own skin creams, hair products, and perfume blends using essential oils and other natural ingredients. Many of today's beauty products contain chemicals and other additives that most of us have never heard of—and probably would avoid if we knew how harmful they really were. With 200 Tips, Techniques, and Recipes for Natural Beauty, you'll learn all that you need to know to make your own safe and healthy beauty products, with recipes and formulas such as: Lemon Verbena Cleansing Milk Exquisite Bulgarian Rose Hair Powder Peppermint Cocoa Lip Balm Herbal Rosemary & Mint Shampoo Brilliant Blueberry & Manuka Honey Face Scrub Skin-Soothing Bath Tea Peppermint and Tea Tree Leave-In Conditioner Create delightful body butters, salves, balms, glosses, scrubs and more using all-natural, holistic ingredients like herbs, flowers, tea, baking soda, and coconut oil. Discover conditioning carrier oils, sumptuous butters, and aromatic floral extracts that will nourish you from head to toe. Some of the recipes can also be used for overall health, including curative herbal extracts and therapeutically effective essential oils. With step-by-step photographs, clear instructions, and expert tips, each recipe is easy to follow. Give the products you create as gifts or keep them for yourself. Regardless, you'll never want to buy beauty products from the drug store again!

The Witch's Herbal Apothecary is a magickal book of recipes, rituals, and materia medica for reconnecting with the power and healing of Earth Magick. Author Marysia Miernowska is the Director of one of California's most renowned herbal schools and named one of the "top 15 witches on Instagram" (@marysia\_miernowska) by Huffington Post. Mother Earth is a living entity that holds great medicine to heal us physically and spiritually. However, in today's modern world, too many of us are separated from this source of nourishment. With the wheel of the year as a framework, you'll begin to understand the currents of nature and how to weave yourself back into this great web of life. Using the plants, seasons, and cycles as your tools, you will be able to tap into the potent Earth Magick of life, death, renewal, and rebirth. In harmony with the seasons, You will learn how to: Grow medicine Harvest from the wild or home garden Process plants Make remedies Each season opens a portal of magick that allows you to harvest the literal and spiritual gifts the Earth is offering at that time. The Witch's Herbal Apothecary will awaken the Witch inherent in every wild soul and guide her into an empowered relationship of healing and magick with the natural world.
