From the dramatic find in the caves of Qumran, the world's most ancient version of the Bible allows us to read the scriptures as they were in the time of Jesus.

This is a beautifully crafted collection of prayers for each Sunday and most major festivals in the church's year, together with additional material for each season. The Sunday prayers — known as "collects" in the Anglican tradition — follow the three-year cycle of the Revised Common Lectionary. The author uses expansive and inclusive language and imagery to address and describe God, to describe God's presence and action in the world, and to describe the people of God. Ideal for use at weekday celebrations, including the Book of Common Prayer Order for Eucharist.

Recent controversies have rocked evangelicalism on the question: Is gender-inclusive language for human beings faithful and helpful in Bible translation, or does it distort and obscure God's Word? *Distorting Scripture?* moves beyond sensationalism to the meaty core of an ongoing debate.

This lively commentary encompasses four major books focusing on women in the Hebrew Bible and Apocrypha. Each section in the volume addresses the biblical text in detail, and draws connections from the world of ancient audiences to that of present-day readers. Wolfe's research is motivated by the usual inquiries of biblical scholarship, as well as the questions raised by the many church Bible study groups she has taught. Clergy and laity, students and scholars will benefit from these contemporarily relevant reflections on Ruth, Esther, Song of Songs and Judith. Ruth: The foreign widow who sneaks onto the nighttime threshing floor to find survival for herself and her devastated mother-in-law. Esther: The Jewish orphan-turned-queen who turns Persian banqueting on its head in an effort to defend her people. Song of Songs: The proud and alluring lover who claims her sexuality as her own and joyfully shares it with her beloved. Judith: The pious and beautiful widow who lets the enemy commander's appetite become his downfall in order to save her besieged city. This volume is an opportunity to engage these women's suspense-filled stories, which have sustained faith communities since ancient times.

I wrote this book for people to see without a shadow of a doubt, that God loved them. Fully, wholly, unequivocally, and completely. It's not a debate. It's not a side to choose. It is the complete and total truth. God absolutely loves you; and if you have even a hint of doubt in your mind, my book will help you to see how deep and broad is Christ's love for you! D

The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender, sexuality and Biblical studies. Rather than a verse-by-verse analysis, typical of more traditional commentaries, contributors to this volume focus specifically upon those portions of the book that have particular relevance for readers interested in lesbian, gay, bisexual and transgender issues such as the construction of gender and sexuality, the reification of heterosexuality, the question of lesbian and gay ancestry within the Bible, the transgendered voices of the prophets, the use of the Bible in contemporary political, socio-economic and religious spheres and the impact upon lesbian, gay, bisexual and transgender communities. Accordingly, the commentary raises new questions and re-directs more traditional questions in fresh and innovative ways, offering new angles of approach. This comprehensive, cutting-edge commentary is prefaced by an introductory essay by Professor Mary Tolbert. Contributors draw on feminist, queer, deconstructionist, utopian theories, the social sciences and historical-critical discourses. The focus is both how reading from lesbian, gay, bisexual and/or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect lesbian, gay, bisexual and/or transgender communities. The commentary includes an extensive bibliography that directs the reader to a full range of literature relating to queer
