Davies Turner - Long Haul Trucking from UK to Turkey in the 90**The Long Haul A Truckers**

More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles packing, loading, and hauling people's belongings all over America. Known by his trucker handle as U-Turn, he spends his days (and many of his nights) in a 53-foot eighteen-wheeler he calls Cassidy.

The Long Haul: A Trucker's Tales of Life on the Road ...

long-haul trucker. It's about time someone with actual experience in such a job writes about it. From my POV, it's like, in IT, you're the engineer who gets called at 3 AM when a computer running the factory goes down and the hourly workers are idled. Who you are, where you are, what you are doing - doesn't matter. You must fix it. Right. Now.

The Long Haul: A Trucker's Tales of Life on the Road ...

Directed by Ken Hughes. With Victor Mature, Diana Dors, Patrick Allen, Gene Anderson. After leaving his U.S. Army job in Germany, a trucker takes a long-haul driver job in Britain where he runs into an organized-crime syndicate that controls the trucking industry.

The Future Truck 2025 makes the impact of modern technology tangible. In particular, monotonous long-haul routes lasting hours and hours on major highways, often with tight schedules, could be made easier very soon by trucks that drive themselves.

"There's nothing semi about Finn Murphy's trucking tales of The Long Haul."—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job. More than thirty years ago, Finn Murphy dropped out of college to become a trucker. Since then he's covered hundreds of thousands of miles packing, loading, and hauling people's belongings all over America. Murphy whisks readers down the I-95 Powerlane, across the Florida Everglades, in and out of the truck stops of the Midwest, and through the steep grades of the Rocky Mountains. He tells funny, poignant, and haunting stories of the people he moves: a boarder in New Hampshire, a Virginia homeowner raging when Murphy's truck accidentally runs down a stand of trees, a widow rushing her archaeologist husband's remains and relics to a Navajo burial ceremony in New Mexico. Brimming with personality and great characters, The Long Haul explores the appeal of manual labor and shows what happens behind the scenes when we call the movers.

Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets—once dominated by the largest and most powerful union in US history—into an important example of the costs of contemporary labor markets for workers and the general public.

Wit, wisdom, and revelations from sixty years of life on the road. Driving one highway after another at sunrise, winding through the mountainside, hearing the call to rise of the roosters, or simply exchanging "fishing stories" with the other guys at the truck stops. Like that one about the trucker who stopped along the highway and helped a little old lady who had a flat tire. By the time the trucker had told his tale a dozen times, the simple tire change story turned into one where an old lady was accompanied by her gorgeous, blond, and twenty-one-year-old granddaughter—you know how that ends. Imagine the story traded from one driver to the next. Each time, a more outrageous yarn is spun. They say that only truck drivers experience the true grandeur and landscape of America. In A Trucker's Tale, Ed Miller gives an inside look at the allure of the work and the colorful characters who haul our goods on the open road. He shares what it was like to grow up in a trucking family, his experience as an equipment officer in Vietnam, and the trials and tribulations of life as a trucker. His tales are often funny, sometimes sad, cringe-worthy, or unbelievable. Many are the results of what he calls, "just plain stupidity." Together they paint a compelling portrait of a vibrant but little-known industry, and reveal why he just kept on truckin'.

Long-haul trucking is linked to almost every industry in America, yet somehow the working-class drivers behind big rigs remain largely hidden from public view. Gritty, inspiring, and often devastating oral histories of gay, transsexual, and minority truck drivers allow award-winning author Anne Balay to shed new light on the harsh realities of truckers' lives behind the wheel. A licensed commercial truck driver herself, Balay discovers that, for people routinely subjected to prejudice, hatred, and violence in their hometowns and in the job market, trucking can provide an opportunity for safety, welcome isolation, and a chance to be themselves—even as the low-wage work is fraught with tightening regulations, constant surveillance, danger, and exploitation. The narratives of minority and queer truckers underscore the working-class struggle to earn a living while preserving one's safety, dignity, and selfhood. Through the voices of drivers from marginalized communities who spend eleven- to fourteen-hour days hauling America's commodities in treacherous weather and across mountain passes, Semi Queer reveals the stark differences between the trucking industry's crushing labor practices and the perseverance of its most at-risk workers.

Climb aboard Big Blue and ride along with veteran trucker, Long-Haul Larry as he tells tales of his journeys across America's heartland. Share in the humor and struggle of driving a truck for the first time and teaching others to do the same. Experience nail-biting tension while trucking through ice and wind. Learn how to train a cat and how not to train your wife. Find out what to wear when the shooting starts and discover the fastest way to get a Thanksgiving turkey. Know how NOT to meet your maker and what it's like to walk a stranger to the hereafter. Larry's stories will move, entertain, and impress you in ways you never imagined as you experience life as an American trucker. Publisher Note: Truckology is a clean and wholesome read appropriate for readers of all ages. This book is a series of short-stories sure to warm the heart and tickle the funny-bone. About The Author Veteran trucker, Long-Haul Larry hails from the eastern lowlands of Wisconsin, north of Milwaukee, but can be found anywhere along America's vast highways piloting Big Blue along with Chicken Johnny. Larry firmly believes, "If you're gonna drive 'em, you better be able to fix 'em." Using his natural mechanical aptitude and experience as a truck mechanic, he keeps Big Blue "running the miles" and their deliveries on time. Join Larry and Chicken Johnny in their daily adventures on the Long-Haul Larry YouTube Channel at https://bit.ly/LongHaulLarry. What's up with the chicken, you ask? You'll have to look for Chicken Johnny on Larry's YouTube channel to find out. Special thanks to John Vollrath with JBG Travels for the Introduction.

WHAT YOU DIDNT LEARN IN TRUCKING SCHOOL is a refreshingly frank and delightful pocket guide that offers practical advice and etiquette tips for truck drivers. Being a truck driver is not easy. Truckers' challenges include working long hours, being hundreds of miles from home and constantly trying to avoid or prevent hazards on the roadway. The biggest complaint truck drivers have? Other truck drivers! Especially the ones with toilet habits you wouldn't tolerate from kindergartners. Janet Walker shares with readers the opinions, gripes and peeves she has collected from drivers during her 12 years in the trucking industry. To help remedy these problems, she offers solutions that, if implemented, can help make the trucking lifestyle more enjoyable and more respectful for the men and women who are the heroes of our country's highways. This little book of etiquette is a valuable guide for anyone who wants to be a truck driver in America-and who wants to know which habits to avoid as they travel the road to truck-driving success.

Get an inside peek into the trucking industry from someone who has driven all kinds of trucks for twenty years. Find answers to all those trucker questions you've always had. Learn the do's and don'ts of the trade. Get informed and entertained all at the same time. Written in an informal, free-flowing style, Trucker Paradise is easy to read and will keep you engaged till the very last page. An absolute must-read for anyone contemplating a career in the trucking business or for anyone interested in lifting the veil off of this little-understood industry.
