Margaret Laurence's The Loons explores the incomprehension, misconstruction, defensiveness, and impossibility of communication between the white civilization and the Native people. The cultural conflict is echoed through two young girls growing up "No one can ever describe that ululating sound, the crying of the loons, and no one who has heard it can ever forget it.

**The Loons by Margaret Laurence – Goodreads**

THE LOONSBy Margaret Laurence, 1970. Throughout her life and work Margaret Laurence maintained an abiding interest in the Métis, that mixture of French, Scots, and Indians that originated in the days of the fur traders in the area of the Red River in what is now Manitoba, Canada. As she said in A Place to Stand On (1983), edited by George Woodcock: "There are many ways in which those of us who are not Indian or Métis have not yet earned the right to call Gabriel Dumont [ Louis Riel 's ...

Analysis Of The Loons By Margaret Laurence. 1377 Words6 Pages. The Loons: A Girls Cry for Belonging Although some readers might think Margaret Laurence's short story "The Loons" is about the naivety of a young girl named Vanessa who spent her days fantasizing about native american culture, it is in fact about the adversity an individual faces when presented with a lack of belonging.

**Analysis Of The Loons By Margaret Laurence – 1377 Words –**

The short story "The Loons," written by Margaret Laurence, tells the story of Piquette Tonnerre, a girl of mixed racial descent who struggles to adapt to her nonwelcoming surroundings. Laurence describes Piquette's journey through life with the help of Vanessa, another girl who befriends Piquette after being introduced by her father. Although her story focuses primarily on the complexities of human societal interactions, Laurence weaves the life story of loons into her tale as well.

The Loons, written by Margaret Laurence, deals with the theme that people have trouble with themselves, who they are, and who they want to be. Jean Margaret (Peggy) Wemyss (before she got married), was only four years old when her mother, Verna Jean passed away. This unfortunate event not only affected her, but her family too. A

The Loons by Margaret Laurence. Margaret Laurence's "The Loons" takes places in Canada around the 1930's, but the themes in this story of racism, dysfunctional families, and change are as prevalent today as they were in the 1930's. Racism, change, and the effects of living in a dysfunctional family are constant themes throughout this story and how these themes are manifest in the protagonist's, Piquette's, life.

**The Loons by Margaret Laurence | 1stleten**

Symbolism plays an important role in developing the story, The Loons, by Margaret Laurence, which is a story about two young girls from different socioeconomic backgrounds that meet in childhood and eventually following prescribed lifestyles for their stations in society. While the story follows archetypal roles for the rich girl and the poor girl, it ultimately is a touching portrait of an awakening of consciousness by the writer about the human struggle and its ties to family and social ...
