"Burchard reveals that the main motive of humankind is the pursuit of greater Personal Freedom. We desire the grand liberties of choice--time freedom, emotional freedom, social freedom, financial freedom, spiritual freedom. Only two enemies stand in our way: an external enemy, defined as the social oppression of who we are by the mediocre masses, and an internal enemy, a sort of self-oppression caused by our own doubt and fear. The march to Personal Freedom, Burchard argues, can be won only by declaring our intent and independence, stepping into our personal power, and battling through self-doubt and the distractions of the day until full victory is won"--

A fictionalized account on one man's journey through a "theme park of life" after being implored by his dying fiancée to go and discover... Trapped in a prison of his past so he can't see the possibilities, the gifts and the choices available to him, his journey is our journey. Based on Brendon's experience teaching and coaching, he realizes that people never transform the quality of their lives unless their hearts and minds are truly engaged in changing - they need to have a deep, emotional reason to change. This beautiful, engaging story of love, loss and redemption will connect with people immediately. It will also cause readers to think and reflect on their lives more deeply, become more aware of their own life stories, accept their authentic selves, and become accountable for who they are. Brendon reaches out to engage hearts and minds in transforming lives with emotional edge and mental clarity. What is this golden ticket? And what kind of life does it really gain us admission to? The chapters are arranged into life lessons around 4 gates to transformation: Awareness, Acceptance, Accountability, and Action. "Whatever you do, pay the price of admission for Life's Golden Ticket! This book is entertaining, provocative and loaded with wisdom. Honestly, this is the most original book I've read in years!" (Bill Treasurer, CEO, Giant Leap Consulting and author of Right Risk - Ten Powerful Principles for Taking Giant Leaps with Your Life) "I read the story in one sitting, I just couldn't put it down. I cried, I laughed, I cheered, I wondered where it was all going - and when I finished, I was so thankful for the journey" (K C George, Corporate Program Manager, VISA USA) "Life's Golden Ticket is wise without being preachy, inspiring without forgetting insight, entertaining without sacrificing empowerment. Brendon Burchard shows incredible depth, compassion, and wisdom on every page. He has given us a true gift." (Kelley Graham, Director, Levi Strauss & Co)

THESE HABITS WILL MAKE YOU EXTRAORDINARY. Twenty years ago, author Brendon Burchard became obsessed with answering three questions: 1. Why do some individuals and teams succeed more quickly than others and sustain that success over the long term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve the most? After extensive original research and a decade as the world's leading high performance coach, Burchard found the answers. It turns out that just six deliberate habits give you the edge. Anyone can practice these habits and, when they do, extraordinary things happen in their lives, relationships, and careers. Which habits can help you achieve long-term success and vibrant well-being no matter your age, career, strengths, or personality? To become a high performer, you must seek clarity, generate energy, raise necessity, increase productivity, develop influence, and demonstrate courage. This book is about the art and science of how to cultivate and practice these proven habits. Whether you want to get more done, lead others better, develop skill faster, or dramatically increase your sense of joy and confidence, the habits in this book will help you achieve it. Each of the six habits is illustrated by powerful vignettes, cutting-edge science, thought-provoking exercises, and real-world daily practices you can implement right now. A link to a free professional assessment is included in the book.

Horror meets humorous urban fantasy in first book of the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards Angel Crawford is a Loser. Living with her alcoholic deadbeat dad in the swamps of southern Louisiana, she's a high school dropout with a pill habit and a criminal record who's been fired from more crap jobs than she can count. Now on probation for a felony, it seems that Angel will never pull herself out of the downward spiral her life has taken. That is, until the day she wakes up in the ER after overdosing on painkillers. Angel remembers being in a horrible car crash, but she doesn't have a mark on her. To add to the weirdness, she receives an anonymous letter telling her there's a job waiting for her at the county morgue--and that it's an offer she doesn't dare refuse. Before she knows it she's dealing with a huge crush on a certain hunky deputy and a brand new addiction: an overpowering craving for brains. Plus, her morgue is filling up with the victims of a serial killer who decapitates his prey--just when she's hungriest! Angel's going

to have to grow up fast if she wants to keep this job and stay in one piece. Because if she doesn't, she's dead meat. Literally.

The author writes, "At the heart of this simple book lies the key to many of the struggles we face these days, from being productive and achieving our goals, to getting healthy and fit in the face of fast food and inactivity, to finding simplicity and peace amidst chaos and confusion. That key is itself simple: focus. Our ability to focus will allow us to create in ways that perhaps we haven't in years. It'll allow us to slow down and find peace of mind. It'll allow us to simplify and focus on less-on the essential things, the things that matter most.

"An instant classic." –Arianna Huffington "Will inspire people from across the political spectrum." –Jonathan Haidt Longlisted for the Porchlight Business Book of the Year Award, an essential shortlist of leadership ideas for everyone who wants to do good in this world, from Jacqueline Novogratz, author of the New York Times bestseller The Blue Sweater and founder and CEO of Acumen. In 2001, when Jacqueline Novogratz founded Acumen, a global community of socially and environmentally responsible partners dedicated to changing the way the world tackles poverty, few had heard of impact investing–Acumen's practice of "doing well by doing good." Nineteen years later, there's been a seismic shift in how corporate boards and other stakeholders evaluate businesses: impact investment is not only morally defensible but now also economically advantageous, even necessary. Still, it isn't easy to reach a success that includes profits as well as mutually favorable relationships with workers and the communities in which they live. So how can today's leaders, who often kick off their enterprises with high hopes and short timetables, navigate the challenges of poverty and war, of egos and impatience, which have stymied generations of investors who came before? Drawing on inspiring stories from change-makers around the world and on memories of her own most difficult experiences, Jacqueline divulges the most common leadership mistakes and the mind-sets needed to rise above them. The culmination of thirty years of work developing sustainable solutions for the problems of the poor, Manifesto for a Moral Revolution offers the perspectives necessary for all those–whether ascending the corporate ladder or bringing solar light to rural villages–who seek to leave this world better off than they found it.
