It's the thing they all have in common. That and the fact that they are all involved in writing or publishing in some way. It's a book about infidelity, called 'The Other Side of the Story,' with a massive, gaping hole where the other side of the story should be. (Spoilers ahead) First there's Gemma.

Marian Keyes

The Other Side of the Story by Daphne Priscilla Brown-Jack is an inspirational, heartfelt story of a woman's battle during a critical time in her family's life. The author's desire to share such a story is humbling. It takes courage to share personal things with the world. Even more so when those things involve loved ones.
