Richie McCaw, Rugby World Cup winning captain and the New Zealand All Black's most capped player of all time, is unquestionably the greatest player of his generation. He is arguably the most talented player of all time. In his bestselling autobiography, McCaw talks with brutal honesty about the roots of his family life that defined his character and how it gave him the strength to emerge from the lowest moment in his career to lift the Webb Ellis Cup, and become the most successful captain world rugby has ever seen. As he prepares to become the first captain to successfully defend the World Cup, McCaw has set the standard of what a professional rugby player should be. Hugely popular and respected, his sheer presence means that he is a natural leader both on and off the pitch and his story is not just a brutal account of life on the front line, but an exhilarating portrait of modern rugby.

A player like Richie McCaw comes along once in a lifetime... The Open Side will define that player. Rarely has a New Zealand biography been so eagerly anticipated. Superbly crafted, brilliantly insightful, and set to inspire people for generations to come. From the time his father told him as a child that ' he would enjoy his rugby more if he got fitter ', Richard Hugh McCaw never looked back. Captain of the All Blacks since 2006, he is the face of rugby in New Zealand and one of our best-known and most admired figures. He has been named International Player of the Year three times and is considered the greatest player of his generation, and quite possibly the finest loose forward of all time. But what do we know of Richie the person and what drives him? In The Open Side, he reveals his passions and motivations, on and off the field. Teamed with Greg McGee, one of our great contemporary writers — and a man who himself is no stranger to rugby culture — the two have produced an outstanding book. The Open Side delves into the inner McCaw, the defining events and people in his life, as well as providing insight into the modern game and its professional players and coaches — including frank comment on the Deans-Henry debate. Richie ' s leadership has had a huge impact on the team, and The Open Side traces his rise from fresh-faced Under 19 squad member in 1999 to hardened 100-cap veteran in 2011. As a participant in three Rugby World Cups, Richie describes the agony of defeat in 2007, and the four years of ' living in a tunnel ' before clawing his way to ' the light ' of a dramatic victory with the All Blacks in the 2011 final.

The phenomenal International Number One Bestseller With exclusive interviews with Richie McCaw, Steve Hansen, Beauden Barrett and Dan Carter, The Jersey is the first definitive story behind the greatest sports team on the planet. 'Extremely well written, Compelling, accurate, insightful and brilliant in the way it captures the New Zealand way. - John Hart, former All Blacks coach. With a better winning record than any other sports team in history, they stand head and shoulders above their nearest rugby rivals, and go to the 2019 World Cup as back-to-back World Champions. How did a country of just 4.8 million people conquer the world? Peter Bills, who has reported on international rugby for more than 40 years, was given exclusive access to all the key figures in New Zealand rugby as he set out to understand the secrets behind the All Blacks success. From Steve Hansen to Beauden Barrett, Richie McCaw to the late Sir Colin Meads, Peter Bills talked at length with over 90 people, both in New Zealand and around the world, with intimate knowledge of what makes the All Blacks tick. This is a story of the first settlers, and the 'Originals' who forged the All Blacks legacy, right through to modern times. It draws heavily on the contributions made by all New Zealanders: players, coaches, officials, supporters and those who have worn the most recognized jersey in the world. Intrinsicly, The Jersey goes to the heart of the All Blacks success. It is also an epic story of not just a rugby team but a nation, whose identities are inextricably linked. Additionally, it debates a question, terrifying for any of their opponents. Could the All Blacks get even better?

Jonny Wilkinson's career has crossed three decades and four World Cups. He has accumulated phenomenal achievements, world points records, an impressive list of broken body parts, and a drop goal that will be remembered for ever. But the peculiar calmness with which he played the game masked a very different reality. In JONNY, he reveals the extraordinary psychology that he had to tame in order to be able to dominate his sport. For most of his life, he was driven by a quest for perfection and an obsession to be the best player in the world; here he shows how these two facets of his competitive mind took such a hold of him that they sent him to the top of the world, then swept him up and dragged him down into a spiral of despair. Jonny's career has spanned the far reaches: amazing highs and iconic moments, then a fight against injury that culminated in a battle with depression. Here he tells of the physical toll he knew his body was taking from rugby, even from his youth; he tells of how he never wanted to be a kicking fly-half but learned to adapt his natural game to play the style that Clive Woodward believed necessary to win a World Cup, and how he nearly walked out on Martin Johnson's England team 13 years later.

As Kieran Read calls time on his distinguished New Zealand career at the end of the Rugby World Cup, this is the open and honest life story of one of rugby's greatest players, a legendary All Black and a two-time World Cup winner. Kieran Read first played for the All Blacks as a 23-year-old in 2008 and since then has amassed more than a century of Test appearances in the famous jersey. Now, after a stellar provincial, club and international career - including back-to-back World Cup victories - the New Zealand captain writes openly and honestly about his time in the game. Read takes to these pages with his trademark determination, lifting the lid on the unique pressures of succeeding as captain the most celebrated All Black of all time (Richie McCaw). He outlines the decisions that molded his career and uncovers the skills of the coaches who shaped him, while offering readers an inside account of how the world's greatest team functions and thrives. Read unpacks the emotional toll of injury and the ignominy of defeat, neatly illustrating the intense experience of representing a rugby-obsessed nation while delivering a masterclass in how to manage the many demands on the mind and on the body. Fortright and frank, Read's well-respected views on the game and its future are a must-read for rugby fans, and his take on the myriad personalities and the peccadilloes of his team-mates, coaches and opponents will be sure to surprise and delight. From the playing fields of Papakura to the summit of the sport, Read has faced every challenge head on. His life story if no exception.

SHORTLISTED FOR THE TELEGRAPH RUGBY BOOK OF THE YEAR The truth about being a rugby player from the horse's mouth. This book is not just about how a psychiatrist called Humphrey helped me get back on my horse and clipity-clop all the way to the World Cup semi-final in Japan. It's the story of how a fat kid who had to live up to the nickname Psycho grew up to play and party for over a decade with rugby's greatest pros and live weird and wonderful moments both in and out of the scrum. That's why I'm letting you read my diary on my weirdest days. You never know what you're going to get with me. From being locked in a police cell to singing Adele on Jonathan Ross (I'll let you decide which is worse), being kissed by a murderer on the number 51 bus to drug tests where clipboard-wielding men hover inches away from my naked genitalia, melting opponents in rucks, winning tackles, and generally losing blood, sweat and ears in the name of the great sport of rugby. This is how (not) to be a rugby player.

Richie McCaw's standing within the All Blacks team is unmatched. The captain of Graham Henry's team since 2006, McCaw has carved a niche for himself as the modern-day great within the All Blacks - the charismatic, never-say-die leader whom fans of the Men in Black have come to hold in the same light as many of the most revered captains of yesteryear. Richie McCaw: A Tribute to a Modern-day Rugby Great charts the career of the proud Canterbury and Crusaders star who first burst into the national rugby conscience in 2001 when he helped his province to an NPC championship. Soon after, he was making his All Blacks debut in Dublin, beginning a test career that will ultimately culminate at the 2011 World Cup in New Zealand. Author John Matheson tells the story of how the understated McCaw has reinvented himself to emerge as the talisman for his charges in the same way that Buck Shelford, Sean Fitzpatrick and Tana Umaga have done before him. Interviews with teammates, coaches and opponents will help the reader gain a renewed respect for McCaw, as the All Blacks plan their next assault on the Rugby World Cup. Richie McCaw: A Tribute to a Modern-day Rugby Great takes the reader inside McCaw's inner circle to tell his story of Tri-Nations, Bledisloe Cup and Grand Slam success, overcoming shattering injuries and concussions, and World Cup heartbreaks in Sydney and Cardiff. Tellingly, though, McCaw - who was at the All Blacks helm for the Cardiff calamity - never lost the respect of the public following the 2007 World Cup. Indeed, the way he handled the aftermath only strengthened his standing with the All Blacks nation. Richie McCaw: A Tribute to a Modern-day Rugby Great plots his post-World Cup rehabilitation and celebrates the fact that, as the 2011 event nears, the All Blacks - on-field at least - are in the best possible hands as they set about replicating the efforts of David Kirk's 1987 All Blacks.

Richie McCaw, Rugby World Cup winning captain and the New Zealand All Black's most capped player of all time, is unquestionably the greatest player of his generation. He is arguably the most talented player of all time. In his bestselling autobiography, McCaw talks with brutal honesty about the roots of his family life that defined his character and how it gave him the strength to emerge from the lowest moment in his career to lift the Webb Ellis Cup, and become the most successful captain world rugby has ever seen. As he prepares to become the first captain to successfully defend the World Cup, McCaw has set the standard of what a professional rugby player should be. Hugely popular and respected, his sheer presence means that he is a natural leader both on and off the pitch and his story is not just a brutal account of life on the front line, but an exhilarating portrait of modern rugby.
